Me: She called about ten minutes ago. I told her she couldn't come here.

Tina Bortoczek: What town is she in

Me: She didn't say.

Tina Bortoczek: She not answering the phone

Me: Sorry, I haven't a clue where she's at.

Me: If I hear from her again, I'll tell her to call you. I won't have her here when she's drinking.

Tina Bortoczek: She has been gone since 5:00 not sure where. Ok thanks

Me: She just called again. I told her to call you and that she couldn't come here.

Me: Heartbreaking - She came by around 9:45 pm, I was upstairs cleaning the surgical pins that hold my ex's bone grafts in place and didn't hear her knocking.

Me: Art, the homeowner wouldn't answer the door. She was told not to come here if she was drinking. I'm so sorry that it had to come to this.

Tina
