## Citizenship in the World Merit Badge

## At the Flint River Council Advancement Day Merit Badge Clinic February 4 1997

Ed Henderson - Counselor 724 West Taylor Street Griffin, GA 30223 (770)-412-6360 E-Mail BigEdBSA@aol.com

Welcome to the first, of what will hopefully become one of Flint River Council's largest and best annual events: NESA Advancement Day! The Council advancement committee has worked hard to develop this program to help troops and scouts work on some of the required merit badges for Eagle that are not offered at summer camp. As with all badge work, today you are receiving instruction and, depending on your participation and work completed, you will be receiving either a partial or a recommendation for Citizenship in the World Merit Badge Completion. It is important that you show this certificate to your scoutleader along with all the work you have done for this class. You will be reviewed at your troop Board of Review and, if you pass that, you should soon get your Merit Badge at the next troop Court of Honor. Citizenship in the World is not an easy Merit Badge and you will be expected to actively participate and demonstrate skills, it is not enough to just sit back today and listen to others. If you enjoyed this Merit Badge remember there are two other Citizenship Merit Badges (Community & Nation) and they are also both required for Eagle. One other badge you might consider is American Cultures which is a newer badge that very few scouts earn. In American Cultures you learn how different cultural & ethnic groups from around the world live here in the United States. If you or your leader have any questions you are invited to contact Ed Henderson, the Counselor for this badge, at the above address.
