

FROM THE LEADER OF THE PACK!

Special thanks to the BLUE & GOLD committee for the outstanding job putting the our annual banquet together. Pack 419 continues to flourish because of the effort of volunteers who choose to make time available to help our Pack go.

We especially appreciate the work of Troop 14 in preparing and serving the fine lasagna dinner. The effort is a good example to the Cub Scouts as certainly "doing your best".

Pinewood Derby is only 2 weeks away. I hope every Scout is planning on participating. This will probably be one of the biggest races in recent years for Pack 419. Plan on this particular pack meeting lasting 2-- 2 1/2 hours with all of the races and award presentations. Refreshments will be available again this year in the gym.

WOLF NEWS **DEN 2**

January has been a very busy month for the Wolf Den. We were visited by a group of Revolutionary War reenactors who taught us about life in Colonial times. We were shown examples of clothing, equipment and uniforms from the period. It left us with a better understanding of what our founding fathers were forced to endure. A visit from Officer Friendly gave us and opportunity to learn about traffic safety, dealing with strangers, and drugs.

We have been working hard to complete the achievement requirements for our Wolf badges. Several boys are already finished and are busy earning arrow points. This month, we are looking forward to Continuous Fire, the Blue and Gold Banquet, and the Pinewood Derby, as well as our March Den and Pack meetings. (Cont. p.2)
