BALOO'S BUGLE

Volume 4 Issue 7

March 1998

have always said my knowledge on using these fancy dang computers is pretty minimal. My knowledge of using the internet is ranked as a poor second. THIS IMPORTANT TO READ BECAUSE I NEED DUR HELP. I was messing around in our file manager here at home and DELETED all my favorite places and emails from everyone. I did this sometime early February. So, I am slowly rebuilding everything from over a year ago. YIKES!!! I need YOUR help especially in Unit Leader Ideas. If you have an idea in programming that you did with your Tiger, Cubs, or Webelos that was successful or just a lot of FUN, please email it to me at CMR1954@aol.com. Also put it in an Email, not in a downloadable file.

TIGER CUBS

★Big Idea #12 Make Your Own

Decorate them with different colored icing and use as a treat for the meeting. Play "Card Toss" - Place a hat on the floor six feet from a chair. Each player takes a turn tossing cards into the hat one at a time. Decide what point value to give the cards. Share: Talk about things someone in the family has

made.

Closing: Recite the Tiger Cub motto.

Search: Make plans to drop off crafts to a nursing home. **Discover:** Make a holiday decoration which will be given away. Play "Caterpillar Crawl" - Take off shoes and socks. Try to get from one point to another (about 12 inches) by moving only the toes.

For the base, invert a jar lid, about 3" across (or larger if necessary, if you increase size of mobile) glue half of a 3" plastic foam ball inside the lid. Paint or leave natural. For arms of the mobile, use 20-gauge wire. Cut 2 pieces of 18" long and 1 each 5", 10" and 12". Bend into graceful arc and insert one end into plastic foam ball. Secure with a dot of glue. Cut tiger heads and tail from

construction paper. Attach heads and tails to arms with thread.

the park clean-up.

Search: Plan a visit to the zoo. Identify different animals

that will be seen at the zoo.

Discover: Have the boys bring their pets and tell how

they take care of them.

Play "Feed the Elephant" - Make elephant trunks (cylinders) out of construction paper for each boy. Seat the boys in a circle, with "truck" horizontally placed in the center of the ring with one open end of the trunk facing the boy. Each boy gets three peanuts in the shell. Object of the game is to feed the elephant by shooting peanuts one at a time into the cylinder. The boy with the most peanuts in the trunk wins.

Share: Have each boy share a household duty they are responsible for.

Closing: Recite the Tiger Cub Motto.

♦More Activities

Painting with Dry Tempera

Wet a piece of construction paper with a damp sponge. Boys shake blue, grey or green tempra powder (in salt shaker) on damp paper. Use dry brush to spread dry paint. When pictures are dry, boys use crayons or markers to draw ancient pictures that might be found on cave walls in the Southwest.

Sandpaper Pictures

On a sheet of 9 inch by 12-inch fine sandpaper, draw or paint a picture. Then color. If crayon is used lightly, effect will resemble sandpainting. Heavy crayon will look like oil painting.

You can complain because roses have thorns, Or you can rejoice because thorns have roses. ZIGGY

TRAINING TIP

I have been working very hard this month coming up with what I feel is a good Friends of Scouting presentation. I will be doing many presentations this month and next so I thought I would use this topic as covered in the Cub Scout Leader Handbook.

Each year your local council establishes a budget to provide unit service, administration, training, outdoor and camping facilities, and quality program activities in the continuing effort to serve more boys. Just as your pack raises funds for pack operation through den dues and money-earning projects, the council raises funds for council operation through the United Way and/or other methods.

Many councils conduct an annual Friends of Scouting, or FOS, to provide opportunities for parents, Scouters, and friends of Scouting to financially support the growth of the Scouting program. By enrolling as a Friend of Scouting and supporting your local United Way, you can be helpful in providing financial resources for your local council and be helpful in interpreting to parents why the council conducts an FOS campaign.

At registration time each year the pack indicates on its charter application the committee member who will be responsible for inviting its families to enroll during the FOS campaign, which is usually held in the spring.

GATHERING ACTIVITIES

♦A Corny Game

Mix this list all up and give copies to everyone as they arrive. Instructions should be printed on the paper":

"Corn was the most important food the Indians gave us. Circle everything you believe to be made from corn." (The answers is everything on the list, of course, but don't reveal that until all have worked their paper.)

alcohol

Baby foods antifreeze Canned/frozen corn ceramics Candy cosmetics Chewing gun Dves Cookies ether Cooking oil explosives Corn syrup paperboard Corn sugar paper

⊘Indian Pre-Opening Game

As each Cub Scout arrives with his family, he is given a bag with the following items:

- 2 face paints
- 6 Paper Feathers
- 1 Paper Head Band
- 1 Newspaper section (for vest or shirt)

Time given: 5 minutes

The Cub chooses Mom or Dad as their subject, then they paint them up as an Indian, and makes a Head dress and vest for them to wear. When time is up all Indians come forward and are judged. Ribbons can be awarded: most original, most beautiful, most painted, make up enough awards so that all boys receive a ribbon.

OPENING CEREMONY

Indian Pack Opening

This calls for 5 Cubs with speaking parts and one narrator. All except the narrator should be in Indian dress.

Narrator: As we all go about our busy lives, rushing from one place to another, today let us think back about five hundred years ago, before America was discovered.

(Cubs in Indian dress march in one by one.)

1st Cub: The first true Americans were the Indians. 2nd Cub: When Columbus discovered America, there were over 300 different tribes speaking many different languages.

3rd Cub: Some Native Americans were hunters and moved about often following animals. Others were farmers and lived in one place.

4th Cub: Some lived in teepees made of skins. Others lived in pueblos made of baked bricks, while others lived in hogans.

5th Cub: Many names of cities and counties are Native American words. Even Michigan is an Indian word. Narrator: Today we honor the rich heritage passed down to us from the Indians, our first Americans. As we all stand and recite our pledge to the flag, let us remember that they are a part of our melting pot of Americans.

Den Meeting Opening

This may be read by the Den Leader or a single Scout, or you can write each line on a separate card to be read by several boys.

"Today in our den meeting we honor the Native Americans who dwelt in this land before the white man came. Let us learn from them:

To be brave when courage is called for. To be strong when our strength is needed. To be quick to help our brothers. To repect the land we live on and the animals we live among.

And to listen to the words of the Great Spirit that we may grow in wisdom."

❖Totem Pole -Calling the Role Indian Style

At the first of the month each den is issued a box or round carton that is to be decorated in some fashion to denote their den - designs, faces, feathers, bells, etc. Be sure to include the den number. This will take some planning on the den's part, let the boys give their ideas. The totem should be closed top and bottom with a center hole on both sides to slide on the support pole at the pack meeting.

At the pack meeting the Cubmaster, wrapped in a blanket, calls each den to come forward and add their den totem to the colorful pole. A broomstick or dowel stick with a sturdy, weighted base should be available to keep the stack of totems secure and in order.

Cubmaster: Den ____, are your Cub Scout braves in attendance at this council circle?"

Response: "We are."

Cubmaster: "Then come forward and place the den's totem on the pole."

(One or all go forward. Return to places in circle. **Cubmaster** continues to call the dens forward until all

have reported and added the den's totem.)

Cubmaster: "All of our sub-tribes have gathered here. Let the council begin as the sun journeys over the edge of the world."

PRAYER

IA Native American Prayer

O Great Spirit,

Whose voice I hear in the winds,

And whose breath gives life to all the world, hear me!

I am small and weak, I need your strength and wisdom.

Let me walk in beauty, and make my eyes ever behold the red and purple sunset.

Make my hands respect the things you have made and my ears sharp to hear your voice.

Make me wise so that I may understand the things you have taught my people.

Let me learn the lessons you have hidden in every leaf and rock.

I seek strength, not to be greater than my brother, but to fight my greatest enemy, myself.

Make me always ready to come to you with clean hands and straight eyes.

So when life fades, as the fading sunset, my spirit may come to you without shame.

The Indian's Lord's Prayer

Great Spirit, whose teepee is the sky, and whose hunting ground is the earth.

Mighty and fearful are you called.

BALOO'S BUGLE

Ruler over storms, over men and birds and beasts. Have your way over all -

Over earth as over skyways

Find us this day our meat and corn,

That we may be strong and brave.

And put aside from us our wicked ways,

As we put aside the bad works of those who do us wrong.

And let us not have such troubles as lead us into crooked roads

But keep us from all evil,

For your is all that is -

The earth and the sky

The streams, the hills

And the valleys, the star,

The moon and the sun and all that live and breathe.

Wonderful, shining, mighty Spirit.

LEADER IDEAS

I need ideas to put in the Bugle. If you have an idea that was really fun or successful in your scouting program please email to me.

CMR1954@aol.com

I don't download files, so take whatever you have and paste it into an email for me. Thanks!!!

SLIDES

⊃Tom Tom Slide

Use a large wooden spoon or a section of cardboard roll. Attach a pop top ring or ring of pipe cleaner to back for neckerchief to fit through.

Indian designs can be drawn on spool with colored marking pens. Cut out two circles of black vinyl or rubber tubing large enough to cover ends of spool and extend over sides. Glue to top and bottom of spool. Lace with heavy black thread to resemble the lacing of a drum. Add some feather fluffs at the side, and lacing with wooden beads on the end.

⇒Shield Slide

Cut a small circle from cardboard or plastic bottle scrap. Blue pipe cleaner ring to back for neckerchief to fit through.

Paint shield as desire. Add real feather fluffs of construction paper as feathers.

ADVANCEMENT CEREMONY

IIndian Advancement Ceremony

Equipment: Tom-tom, artificial council fire

Turn out the lights and light the council fire. A tom-tom beats softly throughout the ceremony.

Cubmaster: As Chief of this pack, it is my duty to honor all braves, who with the help of their parents, are ready to become members of the Wolf, Bear, and Webelos clans. All braves who have earned the right to join the Wolf clan, rise and come sit by my left hand at the council fire. (Wolf candidates do so).

All braves who have earned the right to join the Bear clan, rise and come sit by my right hand at the council fire. (Bear candidates do so).

All braves who have earned the right to join the Webelos clan, rise and come sit behind me at the fire. (Webelos candidates do so).

Parents of these braves, come stand behind your sons. (Parents do so).

The Cubmaster then moves to the first new Wolf, whispers congratulations to him and gives the Wolf badge to his parents to pin on the boy's uniform or Indian costume. And so on, until all boys have received their badges. The Webelos den leaders may assist by giving awards to their den members.

Cubmaster: Let all members of our pack know that the following braves are now members of the Wolf clan. (Announce names. Also announce names of Bear and Webelos badge recipients.)

May all these braves bring honor to themselves, their parents and our pack. Rise and return to your places.

An Indian campfire or teepee fire can be built and nailed to a plywood base, then lined with yellow, orange, or red cellophane. Use a small string of individual blinking Christmas lights underneath the cellophane to create a fire effect.

SONGS

OCub Scout Indians

(Tune: On Top of Old Smokey) Down in the basement Of the Den Leader's house, The Cub Scouts were working As still as a mouse. They made bows and arrows And headdresses, too.

BALOO'S BUGLE

They were going to be Indians, Creek, Blackfoot and Sioux.

They painted their headbands
In red, green and blue,
And some of the Cub Scouts
Had painted arms, too.
They made shields and breechcloths
And moccasins, too.
And a big Indian tepee
Large enough to walk through.

Pack meeting night came.
They arrived on the scene,
All dressed up like Indians,
Painted red, blue and green.
They danced and sang war chants
Around the campfire,
They had Indian contests;
No one seemed to tire.

The room was all filled With excitement and noise. No one could believe Those wild Indians were boys. When the wild Indians got home, The parents all said They were glad that their boys Were now Cub Scouts instead.

FUN FACTS

❖Decriptive Names for Stars and Various Natural Wonders

The Milky Way was known as "The Trail of the Wolf" (Plains Tribes)

The Northern Lights were called "The Marching Lights" (Sioux), and "The Ghost Dance of the Spirits" (Chippewa) The North Star was named "The Star-that-does-not-move", and the Big Dipper was called "The Seven Stars" The Iroquios named the sky "The Great Blue Wigwam", and fox fire was called "Witch Lights"

KOKOPELI WISDOM

People often speak of burying the hatchet when a quarrel is over and done with. The saying originated from the fact that the Indians, who fought with hatchets and knives, showed their willingness to end quarrels by burying their weapons in the earth and then advancing toward each other with out-stretched hands as a sign of friendship. This is thought to be the origin of our handshake.

The following facts were found at this web site which was

RECONITION IDEAS

Our daughter played basketball on her 7th grade team. As a Thank You to the Coaches I thought a candy rebus card would be a fun way to thank them. This is what I came up with (and I had help from some scouting friends). Also I had other ideas mailed in to me. This is a novel (and yummy) way to recognize your leaders for their work with/for the boys. Feel free to change the following ideas around to fit the needs of your pack. I would also like to THANK everyone that helped me out on this idea. Hershey Hugs and Kisses to you!!!!!

A Coaches *PayDay*

(substitute the candy where you see *)
Sometimes we were *Butterfingers*
But always a *Joy*
Even though we heard *Snickers*
We think from the boys.

What we would like to do is give you *\$100,000 Grand* But we have *Zero* money So that idea was canned.

We *M & M*ade you this card
With *Mounds* of love and rhyme
To thank you for giving up
so much of your time.

Then I will put in a row of Hershey Hugs and Kisses and have the girls sign.

I will use a calligraphy pen for printing and a poster board for mounting the candy.

Okay, Shakespeare I'm not, but it's the thought that counts. Thanks for all the inspirational ideas. They all helped me. Of course now I have to go out tomorrow and buy the candy bars. Hmmm, one of each brand for the two coaches and well I better buy some for me and do a taste test.

Chris

There is a lot more that could be added to this, but this is what comes from the 1997 Occoneechee Council Cub Scout Pow Wow book, p. 58.

Good Luck! You should also post this to the list, too.

- 3. Wicked witches will whisk switches.
- 4. Two treetoads tied together tried to trot to town.

SKITS

OHow Indians Tell Time

An emcee announces the next skit as "How Indians Tell Time". A number of Scouts acting as Indians then come out and begin to shout and holler very loud. On a signal, they stop and put a hand to their ear to listen, hear nothing, they begin to shout again. This is repeated until, when they are listening, someone offstage hollers "Be quiet down there! Don't you know it's 2 o'clock in the morning?" The Indians smile and leave.

1Yapoocha

A tribe of "Indians" is dancing around their fire, while the "Chief" sits cross-legged to one side. After a while they all stop dancing, and one approaches the chief. "Oh great chief, is it time for Yapoocha?" The chief looks up at the stars and the moon, then shakes his head. "It is not yet time for Yapoocha". The dance continues for a while, then stops and someone else approaches the chief and asks the same question. Once again the chief looks at the stars and the moon and answers, "It is not yet time for Yapoocha". The dancing carries on again, then stops and yet another person approaches the chief. This time the chief looks at the stars and moon, pretends to think hard for a moment, then says, "Yes, now is the time for Yapoocha!"

BALOO'S BUGLE

The "Indians" then make a line, and start dancing the "Hokey Pokey" - "Yapoocha left hand in, Yapoocha left hand out..."

CLOSING CEREMONY

ITHE SCOUTMASTER'S BENEDICTION

For your closing, you may want to borrow this traditional Boy Scout closing, which has an Indian flavor.

The boys stand at attention, with their right hands in the "ununiformed salute" position, that is, with the elbow bent and the right arm straight across the chest, the right hand over the heart folded in the Cub Scout salute. As they repeat the Benediction, they slowly move their right hands horizontally out in a semi-circle until the lower arm is pointing outward (keeping the elbow at their side), then move it back to the original position. Together, they repeat "May they great Master of all Scouts watch over you until we meet again."

Setting the Example

Adult or Den Chief: What Indian boys learned was very important. It prepared them to take care of themselves and their families. They grew up to be responsible, contributing members of their communities. Everything they needed to know they could observe being done by adults around them. They learned to preserve their culture by watching and doing and by listening to stories told by their elders.

(Cub Scouts hold up cards one at a time, say the slogan and read the lines which are printed on the back of the card.)

Cub #1: DO YOUR BEST, in everything you do, every

Cub #2: ALWAYS BE FRIENDLY, and brighten the day for others.

Cub #3: BE PREPARED to help others

Cub #4: BE HONEST AND SINCERE toward those you meet.

Cub#5 BE LOYAL AND TRUE and others will be true to you

Cub #6: COUNT YOUR BLESSINGS, be thankful each day for opportunities and family.

Cubmaster: May these thoughts stay with you your whole life through. Goodnight to everyone.

"Now let each den form its own Living Circle." The dens form their Living Circles and the Cubmaster challenges them to: "DO YOUR BEST"

WEBELOS

Sportsman

©Most members of the den will show real interest in the Sportsman activity badge. Chances are the boys already spend much of their leisure time in organized sports and friendly neighborhood games.

One of the prime purposes of Cub Scouting in encouraging good sportsmanship and pride in growing strong in mind and body. Learn the rules for the games and learn good sportsmanship as you play!

©Careers And Speakers

Sports equipment sales, resort owner bicyclist, jogger tennis player, professional ball team member, boat captain, community education speaker, softball league coach, children's athletic coach, tour guide.

©Field Trips

Visit a local golf course and get permission to hike around looking at the layout and par numbers for the holes. Ask for a tour of the shop. Look at the equipment and balls. Practice your swing.

②Attend a local high school, college, or professional basketball game. Make arrangements to talk to the referees afterwards. Ask about their training and their work schedule. How much travel is involved?

Sports Injuries

Over a million children (ages 5-14) are seen in hospital emergency rooms each year for sport-related injuries. The sports with the largest number of injuries are bicycling, followed by football, playgrounds, baseball and basketball.

Be sure to include safety demonstrations and stress the use of proper protective equipment with all your den activities this month.

Invite a sports trainer or orthopedic doctor to visit your den and talk about the kinds of injuries that are common in the various sports. How can they be prevented?

• Visit a sports shop and talk with the owner about selecting equipment.

Play some backyard games such as horseshoes, croquet, volleyball or badminton.

Have a parent/son game.

Visit a racquet club or tennis court.

Football Riddles

How many teams can you name by these descriptions?

- 1. Seven squared. (49ers) American gauchos. (Cowboys)
- 2. A 747. (Jets)
- 3. Suntanned bodies (Browns)
- 4. Lubricant (Oilers)
- 5. Six rulers (Vikings)
- 6. Rank of Boy Scouts (Eagles)
- 7. Credit card users (Chargers)
- 8. A dollar for corn (Buccaneer)

9.

Sports Closing

Just as all sports played in the great outdoors are a challenge to each individual competitor, so also the Cub Scout trail is a challenge to each individual Scout.

Professional athletes and Olympic competitors don't just

BALOO'S BUGLE

become great overnight. It takes years of practice and dedication to achieve success.

This is also true in Cub Scouting. A boy who joins the pack, does not immediately earn the Wolf, or Bear, or Webelos badge. He joins the pack to grow and be challenged. He must earn the ranks as he grows. The challenges become more difficult as each boy grows older; but through dedication and hard work he *will* reach the top, just like the Olympic champions. Let us vow tonight as we leave this place to always do

our best - in sports, in work, in school, in life! Good Night!

Athlete

©Webelos are bursting with energy and are eager to impress others with their physical prowess. The Athlete activity badge gives the leader a chance to stress the importance of keeping physically fit as the boys grow. Whether playing games as a team or competing against your own record, boys are learning good sportsmanship. They learn tolerance of others - not everyone has the same athletic ability. Through this they gain a better understanding of their feelings about their own abilities.

♥Visit a spa or fitness center and take a tour of the facilities. Talk to a trainer or weight builder about his regimen and how you could train to go into this field. Find out what exercises are most beneficial to you according to each person you talk to. Graph the different exercises to see which ones are most popular or are used most.

Hold a competition of the exercises you practice from the Webelos book with your parents. Have the boys time their own parent and instruct them in proper procedure. Have a certificate for each parent/son team that records their best time and efforts for the day.

AND SO A WEBELOS LEADER...

And then one day around they came, A Webelos leader would you be? I looked at them and shook my head. Said NO it's just not me. The answer NO they would not take, And asked me if once more. Telling me how little time it took, For the boy I adore. Then when they'd gone and left behind A badge, a flag and book I sat, I said how slick they were And how I had been took. It's now a year of fun gone by, A different light I see. Another son I w ish I had, So, a Webelos leader I could be.
