

Christmas 1994

Dear «First Name»,

Merry Christmas! I am writing to you, «First Name», because I wanted to thank you for being such a good «Boy/Girl» this year. «Sender» told me that you what a good «Boy/Girl» you are and I am so proud of you. I also know that you would like to receive «Wishlist» under your tree on Christmas morning.

Rudolph and I will be visiting «Street» this Christmas Eve and I will be going to «Friend1», «Friend1», and «Friend3» houses too. Tell them that I wrote to you and that I will be coming to see them soon.

Please continue to be good, «First Name». Maybe you would like to do something special for Old Santa this year. Do one good deed for someone else each day from now until Christmas. That will make Santa very happy. And try to be nice to your «Bro./Sis», «Bro/Sis Name».

Love,

Santa
