<u>Select City / State</u>

Select City / State

Click on the City / State button to select a State and City from the scrollable lists.   Once a state and city have been selected, click the Go To Area button (or OK if you are on the Regional Map Screen) to go to the Regional Map Screen.

Regional Map

When a geographic selection is made from the Main Screen, either by clicking on the USA map on the Main Screen, selecting a city and state from the City/State selection lists; or selecting a new geographic area using the Compass on the Regional Map Screen, Restaurants/Wineries/Breweries within that geographic area will be displayed in a Selections List and a corresponding circle will be displayed on the regional map.   The selections on the map may be narrowed down by dragging a box around the selected area. A Zoom feature is also available, just click on the Zoom button, then click on the area on the map you wish to Zoom into.

Zoom In / Zoom Out

Click on the Zoom button on the Regional Map Screen, then click on the area on the map you wish to Zoom into.   To Zoom back out, click on the Zoom   button again.

Select Restaurants

Click on this icon to select restaurants as a category.   If you are on the Main Screen, click on the USA map (or click on the City / State button to select a city and state) to go to the Regional Map Screen.

Select Wineries

Click on this icon to select wineries as a category.   Once selected, if you are on the Main Screen, click on the USA map (or on the City/State button to select a city and state) to go to the Regional Map Screen.

Select Breweries

Click on this icon to select breweries as a category.   Once selected, if you are on the Main Screen, click on the USA map (or on the City/State button to select a city and state) to go to the Regional Map Screen.

Main Screen USA Map

Once a category has been selected (restaurants is the default category), click on the USA map to go to the Regional Map Screen.

Selections List on Regional Map Screen

When a category and geographic area have been selected, a list of Restaurants/Wineries/Breweries is displayed in the Selections List.   If an item is preceded by an asterisk (*), the item meets Custom Search criteria previously specified (Custom Search items will also be displayed on the Map as yellow circles.)
To view information and photos for these selections, click on the Go To Selections button on the list, or double-click any item in the list.   If a Custom Search has been specified, the Clear Custom Search button is activated.   To clear the Custom Search, click on the Clear Custom Search button.   If a list of selections has been narrowed by dragging a box around selections on the map, click on the Return to Full Map to again display all selections in the Selections List.

Custom Search

To find Restaurants/Wineries/Breweries that meet specific criteria (months, days, children, handicapped, meals served, etc.) click on the Custom Search button, located on the Main and Regional Map Screens, to pop up a Custom Search Form.   Select a state and city and click on the items you want included in your search, then click on Go To Area (if you are in the Main Screen) or OK (if you are in the Regional Map Screen).   If there are Restaurants/Wineries/Breweries that meet your specifications in the geographic area, a list will be displayed and corresponding circles will be painted on the map.   An asterisk (*) before an item in the list, and a yellow circle on the map, indicate an item meets the Custom Search specifics.   To clear the Custom Search, click on the Clear Custom Search button on the Selections List on the Regional Map Screen.

Exit

To exit a form, click the exit icon.

Information Screen

To view information and photos for a Restaurant/Winery/Brewery listed in the Selections List on the Regional Map Screen, double-click an item in the **Selections List** of the **Map Screen** or click on the **Go To Selections** button located at the bottom of the **Selections List** and the Information Screen will be displayed.   The Restaurant's/Winery's/Brewery's name and restaurant type (if the item is a restaurant) is displayed in the upper left-hand side of the form, the address is located in the upper right and house specialties are displayed on the right-hand side. More detailed information and options are also available with the click of any of the following icons.

Getting Started - Example Search

Objective: Search for restaurants located in and around Miami, Florida.

1.   Start application by clicking on icon.
2.   When Main Screen is displayed, click on the <u>Select Restaurants</u> button on the lower left-hand side of the screen.   A yellow outline around the button indicates Restaurants are now selected.
3.   Click on the USA map on the state of Florida in the general area of Miami, and wait for the <u>Regional Map Screen</u> to load.   If you are not sure of the location of Miami, do the following:
Click on the <u>City/State button</u>.   Drop-down state and city lists will pop up over the food image in the upper left-hand side of your screen.   Select the state of Florida from the first list by clicking on the arrow on the right-hand side of the list to "drop-down' a list of states - then select Florida.   Follow the same procedure to select the city of Miami.   Now, click on the Go To Area button.
4.   When the Regional Map Screen is loaded you will see a list of Restaurants in the <u>list box</u> on the right-hand side of the screen and several red dots on the map on the left-hand side of your screen.   Each red dot represents a restaurant in that geographic location.   In some cases several restaurants may be represented by one dot if they are all clustered near the same location.
5.   To view information about the restaurants for Miami, click on the Go To Selections button at the bottom of the list.   (You may also double-click any item in the list.) You will now see the Information Screen.
6.   The <u>Selection List on the Information Screen</u> contains the same list of restaurants as the Selection List on the Regional Map Screen.   To go to any selection, click on the <u>Selection List icon</u> to pop up the list, and double-click on a selection.   You may also go the next or previous selection by clicking on the <u>Previous and Next</u> icons.
7.   To view photos for any selection, click on a <u>numbered filmstrip</u> to view a photo.   A numbered filmstrip represents a restaurant's photo available for viewing.
8.   To view a sample menu, click on the <u>menu icon</u>.
9.   To view more specific details, click on the <u>details icon</u> for the Details Form.   Click the icons on the Details Form for location, description, times, meals, costs, etc.   To close the form, click the Cancel button.
10.   Once you have explored the Information Screen, you may return to the Main Screen by clicking on the <u>Return to Main or Exit button</u>.   You may also return to the Regional Map Screen by clicking on the <u>map icon</u>.
