

The fax station listings in the FAX-???.KTM files are taken from the Feb.1994 edition of the:

HF-FAX LIST

by Marius Rensen

(CompuServe ID 100116.2632 FIDO 2:241/1045.12)
(Internet 100116.2632@compuserve.com)

This marvelous listing, which also includes schedule information, is up-dated and posted on CompuServe and the Internet monthly by Marius Rensen. The filename to look for is HFAXxx.ZIP, where xx is the two-digit number for the month.

It is a simple matter to update your KTM files from Marius' list. You are also encouraged to let him know of any unlisted fax stations you discover.
