

AlarmDlg

The image shows a dialog box titled "Set Reminder Alarm" on a grid background. The dialog contains the following elements:

- Title: Set Reminder Alarm
- Text: Current time: 8:28 am
- Text: Enter the time for alarm in hh:mm format:
- Input field: A text box for entering the alarm time.
- Radio buttons: Two radio buttons labeled "~a.m." and "~p.m." for selecting the time of day.
- Buttons: Three buttons at the bottom labeled "Cancel", "Help", and "OK".
