**Total number of shipping printer drivers = 759**

**Total number of additional printer drivers = 538**

(Additional) printer drivers are identical to shipping printer drivers, except they include support for more fonts, i.e. cartridges or soft fonts. For example, if a customer needs a driver that includes support for the IQ Engineering SuperCartridge or the Pacific Data Products font cartridge he/she needs an additional driver.

**Total number of user-contributed printer drivers = 116**

User-contributed drivers are non-supported printer drivers. No telephone support is provided.

**Total number of printer drivers = 1413**
