License Agreement and Warranty Disclaimer

You should carefully read the following terms and conditions before using this software. Use of this software indicates your acceptance of these terms and conditions. If you do not agree with them, do not use the software.

Working model

You are hereby licensed to: use the working model for evaluation of DS Lab; make as many copies of the working model and demonstration disc as you wish; give exact copies of the working model (including this file) and demonstration disc to anyone; and distribute the working model and demonstration disc in its unmodified form via electronic means. There is no charge for any of the above. You are specifically prohibited from charging, or requesting donations, for any such copies, however made; and from distributing the software with other products (commercial or otherwise) without prior written permission. Use of DS Lab working model other than for evaluation purposes is in violation of Federal copyright laws.

Evaluation and Registration

This is evaluation software. This license allows you to use this software for evaluation purposes without charge. If you use this software to satisfy your work or personal computing requirements, DS Lab or DS Lab Professional must be purchased and registered.

Governing Law

This agreement shall be governed by the laws of the state of Connecticut.

Disclaimer of Warranty

This software and the accompanying files are sold "as is" and without warranties as to performance of merchantability or any other warranties whether expressed or implied. Because of the various hardware and software environments into which DS Lab may be used, no warranty of fitness for a particular purpose is offered. Good data processing procedure dictates that any program be thoroughly tested with non-critical data before relying on it. The user must assume the entire risk of using the program. Any liability of the seller will be limited exclusively to product replacement or refund of purchase price.
