Playing the Game

The object of ***How to be Perfect*** is to improve the appearance of the character from an imperfect nerd to a smooth sophisticate in 20 test scenarios. Choose a Body Part to get a scenario, the perfect response to the scenario will improve your image, a less than perfect answer damage it. As you progress through the test, the appearance character's dog will indicate your overall rating.

Help is supplied by the Online Etiquette Guide, and you may change the topic of the questions at any time from the Subject Icons.

Get a Scenario

Respond to a Scenario

Check Progress

You have 20 scenarios in which to achieve perfection. The number of scenarios left in the test will be displayed in the scrolling text at the bottom of the screen.

As you progress through the test, the character of the dog will change in response to your overall rating.
