This table is intended as a general summary only. All specifications and licensing are subject to change. Please check the individual CD titles or consult your Image Ideas representative for complete details.

All images appearing in the Image Ideas Brochure and CD ROM Catalog Comping Disc are the exclusive property of the photographers and publishers represented by Image Ideas and are used under license granted to Image Ideas, Inc. Any use or reproduction, except in accordance with the applicable license included with each disc, is prohibited.

The low resolution (less than 300 dpi) images made available on this CD ROM Catalog Comping Disc are for review, approval and browsing use only - distribution of any images from this Comping Disc, in any other manner, is strictly prohibited.

### *Use of these Products for Website & Home Page Design:*

Some of the products distributed by Image Ideas may be used for Internet website and home page design, providing that the following conditions are met:

- only low resolution images may be used
- files are for viewing purposes only, and the site must be secured from possible download of the images.

Please check CD packaging for individual product licensing, or consult your Image Ideas representative for full details.
