

Simply Tax CD-ROM & Magazine

Published annually, Simply Tax® CD-ROM & Magazine makes tax time easier. Whether you prepare your own taxes or use an accountant, staying up-to-date is important for filing your return quickly and easily.

This magazine provides you with current information on tax law changes, filing tips, and long-term tax savings advice. Simply Tax® magazine is results-oriented; articles focus on "How To" and often provide checklists to guide you through savings plans.

Included with the magazine is a CD-ROM that provides access to the tax preparation software. Visit our website, www.simplytax.com, for the most up-to-date information.
