

CERTIFICATE OF COMPLETION

Congratulations!!!

This certificate certifies that _____ is now certifiably a member of the "Improv/Windows 95 for the Technically Challenged" Hall of Fame, and is to be commended for having completed 17 of the most grueling technical lessons ever devised by a bunch of certifiably crazy Improv comedians.

Further, this person is now deemed really ~~HOT STUFF~~ and should be regarded as a major improvement over the previous model by all other species throughout the universe.
