CLICKART TRADE SECRET™

Products with this symbol

include The ClickArt Trade Secret, which allows you to take advantage of ClickArt's unrivaled flexibility. Every image is available in every major image format! The ClickArt Image Exporter utility, part of the ClickArt Trade Secret, allows you to easily convert your ClickArt images into most popular Windows, DOS and Macintosh graphic file formats. This allows you to use ClickArt with virtually all graphics-capable programs. You can also use your ClickArt images directly from within Print Shop Deluxe.

CLICKART ON-SCREEN CATALOG

Products with this symbol

indicate that a FREE On-Screen Visual Catalog is included. It's like having a catalog of all the images directly on your screen. With the On-Screen Visual Catalog you can browse, find and copy images easily with a point and click. Many products also include a printed visual index.

You'll save hours of time by finding the right image quickly. You'll also be able to search for images by category or subject using keywords, and let the self contained browser do the searching for you!
