

The dreaded Razoropers have obliterated your home city. Only you can save the people who remain - by flying the boldest bombing raids, right into enemy territory! Make desperate landings for repair and new weapons - escape by the skin of your teeth. Rack up points as you score hits on the enemy - and avoid getting hit yourself. But watch out when you reach 100,000 points: you'll enter Mega-Mode, with double game speed, double game action, and Mega-scoring power! It's like swatting you way out of a swarm of bees!
