

Forget those boring race track or freeway driving simulations. Vette! lets you race a Corvette through the streets of San Francisco! Dodge pedestrians, trucks, police, taxis, and the dreaded California traffic jams as you race down the steep hills, over the Golden Gate bridge, along Fisherman's wharf, into the heart of downtown.

- Outstanding 3D graphics, amazing realism
- Accurate mapping of SF
- Choose from 4 types of Corvette
- Real manoeuverability, including U-turns
- Landmark-to-landmark courses - you pick your route
- Multiple view perspectives
