

GreatWorks may be the only application you'll need. It's a powerful, easy-to-use integrated package. It gives you eight full-featured applications.

- Word Processor. Full-featured, high quality, combines text and graphics
- Database. Organize and manage all your information. Creates custom reports using its forms design capability.
- Spreadsheet. Create budgets, analyse information.
- Charting. Turn your spreadsheets into charts with a single 'click'.
- Outliner. Organize your ideas quickly in to 15 levels. Mix pictures/text.
- Built-in Communications package.
- Paint. 14 tools, 8 modes, 256 colours
- Draw. Creates simple or complex diagrams. 25% to 800% zoom.
