

InTouch lets you organize your lists, phone numbers, notes, reminders, and calendar in one powerful, yet easy-to-learn and easy-to-use Desk Accessory.

Enter, sort and retrieve as much information as you want, as quickly as you can type. Automatic alarms remind you of an appointment - and automatically bring up the relevant information! Or, print out your daily schedule.

Design your own communications - even customized envelopes with logo, and bar code to speed delivery.

And it will find an address, paste it into your letter, and print the envelope - all at the press of a button!
