Go to next screen

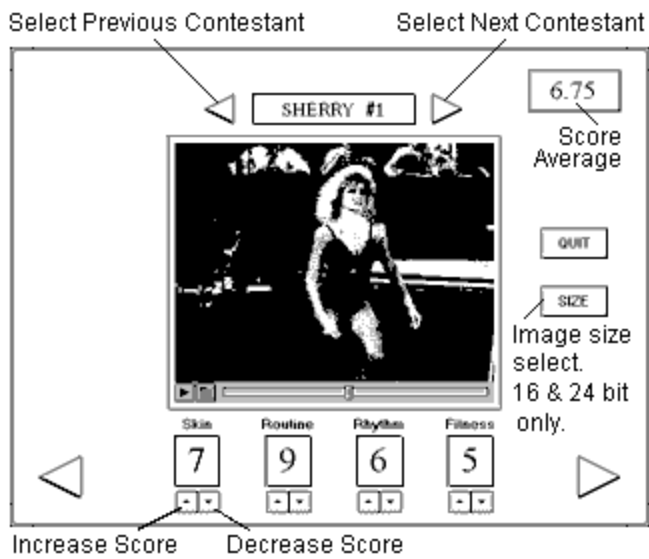

- 4) Press the "Go to Next Screen" button and you will be able to select which contestant you wish to view.
- 5) Pressing the Play/Pause button begins her dance routine. The button next to Play/Pause permits you to adjust the Speed of the video as well as the Volume level of the music:

The Playback Progress bar is a graphic representation of the video playback position. During playback, the Play button becomes a Pause button. If you click on the Pause button during playback to freeze the video, clicking and dragging the Progress bar will permit you to scroll or "scrub" through the video. This feature gives you the ability to Fast Forward or Rewind through the video. Pressing the Pause button at any point in the video will resume playback from that point.

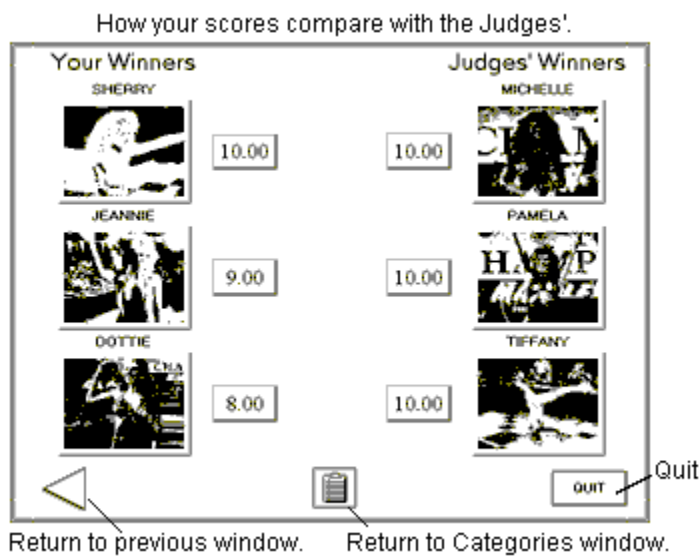

- 6) After the contestant has finished her dance, you may score her performance according to the categories you selected in Step 3.
- 7) Select the next or previous contestant you wish to view and repeat Steps 5 and 6. You

may audition as many contestants as you like.

8) When you are finished judging, click on the Go to Next Window button.

9) The program will compare the top three dancers *you* picked with the Judges' decision.

10) At this point, you are able to click on the Return to Categories window button, reset your scores, select different judging categories and start all over.
