

The usual suspects are all present in the January 1937 issue of SPICY DETECTIVE STORIES, from H.J. Ward contributing a cover, to tales by Justin Case, Robert Leslie Bellem (twice), Cary Moran and E. Hoffmann Price. Price's story, "Sealed Death", features his series character, Cliff Cragin, and was reprinted in 1987 in SPICY DETECTIVE ENCORES NO. 4 from Winds of the World Press. This small book also reprinted two other Cragin adventures, "Death Takes The Wheel" (February 1938) and "Queen of Heaven" (September 1936).
