Game Overview

Blob factory is a windows platform game. Its freeware and my first attempt at a **real** game.

Story:

Are faithful hero the Blob was rudely displaced when his (blue liquid) Hot Tub exploded. With nasty Robots and Green Ooze in his way he crosses the factory to his Hot Tub to soak his feet.

Goal:

Get Blob to his Hot Tub!

Your normal animated blob that lives in a factory.

At 2000 degrees it is mildly hot.

Has AI of broccoli.

Take a dip in ooze for that melting feeling..

How to Play

Playing:

Use the [Keyboard Controls](#) to move the blob around the level. Touching [Ooze](#) or [Robots](#) makes blob lose a life. When you use all your lives you start at level 1. Getting blob to his [Hot Tub](#) completes the level. The current level and number of blobs left is displayed in the title bar.
