since 1993: Jumped over to the "Fachhochschule Augsburg", Department  
for computer science, emphasis on economy

#### Projects:

Finishing my studies (which might yet take some time ;-)

#### Hobbys:

Anything that has got to do with computers (pixels, programming)

#### Hardware:

An Amiga 500 (built in 1987):  
68030 at 16 MHz  
4.5 MB memory

---

52 MB harddisk

An Amiga 1200 (built in 1993):

68030/68882 at 50 MHz

10 MB memory

internal harddisk with modest 40 MB

two external harddisks with 730 MB each

Apple CD 300e+

second disk drive (DD)

HP 500c ink printer

An Apple Macintosh:

68030/68882 at 33 MHz

4 MB memory

50 MB harddisk

Can access an Apple Power Macintosh 6100 (which belongs to my brother):

24 MB memory

520 MB harddisk

internal CD-ROM drive
