(this document should be uptodate telling you where you can reach me :-)

Some things I've done:

64er time:

- some Demos (not very famous ones ;-)
- some game ports from Amiga (also not very famous ones :-)

Amiga:

- guide2html
- KMI - Kochtopf's MagicWB Icons
- Meeting Pearls I-III HTML Administrator

Moreover I've done many web pages for our compsci department and for some other people.

Kochtopf-Pictures:

Picture 1: That's me, you can see that we've originally come
