

## **Home Publishing is not Designed to Print Envelopes**

-----  
The information in this article applies to:

- Microsoft Graphics Studio Home Publishing 99  
-----

### **SUMMARY**

=====

Home Publishing is not designed to print envelopes. Home Publishing will print on Letter or A4 size paper, but you cannot select other paper sizes.

The "envelopes" available under the Craft option are designed to be printed on Letter or A4 paper, and then cut and folded to create an envelope
