

Uninstall of Office95 Disables Home Publishing

The information in this article applies to:

- Microsoft Graphics Studio Home Publishing 99

SUMMARY

=====

Uninstalling Office 95 (or later) removes some shared components that are needed by Home Publishing. If you uninstall Office 95 from your computer, be sure to re-install Home Publishing before using it again.

MORE INFORMATION

=====

When Office 95 is removed, it also removes the following items:

- The Common Files folder (in the Program Files folder)
- All files installed by Office Setup to the Microsoft Windows folder
