Shekil: Thank you, Ios... no, Kanna-san.

Girls: Look, look, Shekil-kun, the exchange student, he's a half!! (ie mixed Japanese-foreign race)

Girls: Those two look like a painting when lined up!!

Until now, it was that brutal Amano Souma!!

--- Page 005

Sword: Fuck, I'm sick of this!!

Sword: \*huff\* \*huff\*

Sword: What's what this Kanna-kuuuun, Shekil-kuuuun! I can't understand everybody...

Sword: The true charm of a man is strength!! Not surrendering to anyone!!

Nanami: What stupid things are you saying, Sword!!

Sword: What, Nanami... You have some business?

(Sword: I'm in a bad mood.)

--- Page 006

Sword: What, a date!?

Sword: A date, me and you?

Nanami: D... Don't misunderstand me!!

Nanami: I don't think anything special about you!! But...

Sword: Wait a minute, there's something I want to ask first...

Nanami: Wh, what!?

Sword: What's a date?

Sword: Hey, what's with the face!

Nanami: I forgot, he's a Devil...

--- Page 007

Sword: Ooh, I see.

Sword: I understand this date thing well. To sum it up...

Sword: You like me!

Sword: I'd thought so, but. Since I'm a popular guy... Hahaha!!

Nanami: You idiotic Devil!! Let me talk to the end!!

Sword: Wh... why...

Nanami: The ones having a date are Shekil-san and my friend!! We're just going along!!

Sword: Wha... With Shekil!?

Bazil: Oh, is Sword starting to move...

Deel: Yeah. He seems to be going to some place called an amusement

park with Angel Shekil.

Bazil: With Angel Shekil...? Then he might have some information on the fragments of Satan-sama's soul...

Galam: Let me go!!

Galam: I have to repay my grudge for this left arm!!

--- Page 009

Fennel: That's your own fault!! Wounded people should be quiet and obedient!!

Galam: What!!

Bazil: Heh... Anyway, thanks to you, Galam, there's something we know...

Bazil: That we must not let him have the fragments...

Bazil: So, what we must do... is to collect the fragments before Sword does.

So, I've taken care of something interesting from Satan-sama.

Bazil: Deel, if you watch Sword, take it with you. It might be useful.

Deel: Hehe, thanks!!

--- Page 010

Sword: Ooh!! Is this an amusement park...!!

Shekil: I can't understand, the feelings of humans coming to a place like this...

Sword: HmFh!

Sword: Don't say anything, bastard! You accepted the date so easily!!

Shekil: That's because Ios-sama told me I shouldn't make women unhappy...

--- Page 011

Sword: Whaaaat!!

Shekil: What's this...

Nanami: Hey, hey, what are you doing, they've come!

Shekil: They?

Girls: Ooooh, Shekil-kun!! You came!!

Shekil: She's not alone!

(Girls: Ooooh, Shekil-kuuun)

(Sword: I... I can't believe it...)

Nanami: When I told you, I didn't know it'd turn out like this...

Girls: Nanami, thank you! You brought Shekil-kun!!

Nanami: Uh... oh, it's no problem.

Girls: As expected, you came with Souma-kun, Nanami!!

--- Page 012

Girls: He's your boyfriend, after all?

Sword: Wh, what, me, with her...!?

Nanami: That's right, don't say such weird things!!

Girls: Oh?

Girls: Reaaaally?

Nanami: Don't say stupid things, let's go!!

Girls: Aah, wait!!

Devils: Hey... Aah...

Devils: General of Wind!! We've found them, Sword &amp; co!!

Deel: Hmmm?

Devil: General!! What are you playing!?

Devil: You'll anger Bazil-sama!!

Deel: What's the matter!

Deel: A little bit is OK, isn't it! Have fun, you guys too!!

--- Page 014

Sword: What am I doing... Not like I'm some human...

Nanami: What are you being upset about... Don't take it so seriously!

Sword: Shut up!! What I'm doing...

Sword: HmF!

Girls: Shekil-kun, you're greeeat!! The highest score!!!

Sword: Feh, is that your strength, Shekil. Trade place with me!!

--- Page 015

Sword: Heh... Satan, eh!!

&lt;Sword: Just wait! I'll show you, I'll collect the fragments of your

soul and become a Devil again!! And then...&gt;

Sword: I'll kill you, asshole!!

Crowd: What was that!?

Shekil: You idiot, you overdid it a little!!

Sword: Shut up!! Don't instruct me!!

Sword: Anyway, let's flee!!

Shekil: Really, these humans...

Sword: Hey, how long are you going to go along with this!!

Shekil: I you have any complaints, you can go home!! I can't break

their hearts!!

Girls: Heyyyy, hurry up and come you too, Shekil-kun!!

Shekil: W, wait a minute...

Sword: Huh, fucking wait!!

--- Page 017

Sword: Heeee, I can't stand this!!

Nanami: Stop, Sword!! What are you being irritated about!?

Sword: I came along since I heard Satan's soul is here! And...

Nanami: Ah, I see. I thought it was strange since you came along without protest!!

Sword: Uh...

Nanami: Really!! Always going on about those soul-fragments...

Sword: They're the most important thing to me!!

Nanami: But... Aren't friends good too, occasionally?

Sword: .....

--- Page 018

Nanami: Eeeek!!

Sword: !!

Nanami: .....

--- Page 019

Sword: Oh... It might certainly not be bad...

Nanami: I... I told you before, I don't mean anything like that...

Sword: Now that you say it...

Nanami: Wh, what!?

Sword: You clung against me when you were controlled by Galam, too...

You really do like me...

Nanami: You idiot!! Think a bit about a woman's feelings!!

Sword: Ouch!!

Sword: H, hey... what's the matter, I was just kidding...

Nanami: Shut up!!

Nanami: Really!! Since he doesn't have any delicacy at all...

Nanami: \*huff\* \*huff\*

Nanami: What's with this Horror House? Aren't these overdoing it for

Deel: It's not a mere toy, oneechan!

Deel: That thing holds a fragment of Satan's soul!!

Nanami: A... A kid...!?

Deel: Red wind, Blue wind... Go!!

Winds: Leave it to us!!

--- Page 024

Winds: Satan-sama's soul, we'll get it!!

Nanami: Bek, eek!

Winds: Hm?

Wind: What are you saying, I'm the one who'll get it!!

Wind: No, it's me!!

Del: Heeee, don't fight!!

Wind: Whoever's first gets it!!

Wind: That's juuuust what I wanted!!

Nanami: Could these two possibly be... Devils?

Wind: Boss!! I got it!!

Wind: Heey, red wind, that's not fair!!

Deel: Ah... Um, well, there's one thing I forgot to tell you, but...

--- Page 025

Deel: It's said that an avarge Devil will be swallowed up by Satan-

sama's soul merely by touching it.

Red wind: Y... You should've told me that earlier, boss!!

Blue wind: Red wiilind!!

Red wind: Eek, it's sucking me in... Bo... Boss!!

Deel: Well, to late to do anything about it now, maybe I should save

him...

Nanami: Wait a minute, you... what are you doing!!

Deel: Ah, since you're in danger, you better hurry up and escape,

oneechan!

Nanami: Y... You're the one who should run! Those are real monsters!!

Deel: Can't do that. Since I'm...

Sword: Huh?

Nanami: That's right!! Li... Listen, the skeleton suddenly came

attacking, and a kid came out, and claimed it was one of the Four

Generals of Hell...

Sword: I... I don't really understand, but...

Sword: This means one the fragment of Satan's soul is here, right...

Blue wind: B... Bossss.

Deel: What?

Blue wind: Are you going to rescue Red Wind... It seems things have

become even worse than before...

--- Page 029

Sword: Wh... what's this...!?

Blue wind: It absorbed the things around and turned huge!!

Deel: Can't handle this any longer...

--- Page 030

Blue wind: It's aiming something at us!!

Deel: Heey, Red wind, are you going to kill us!?

Red wind: Even if you say that, my body isn't listening to what I'm

saying!!

Deel: Watch out, oneechan.

Nanami: Aaah!! That's the kid from before...!?

Nanami: Please, sword!! Save it!!

Sword: Wh, at...!? Wait, that's one of the Four Generals of Hell...!  
 Nanami: But... it's a kid!!  
 --- Page 031  
 Blue wind: Eeek, boss, save me!!  
 Deel: Heeey, let me gooo!!  
 Blue wind: D, Devil Sword!!  
 --- Page 032  
 Sword: Really, someone like this is one of the Four Generals of Hell...  
 Pathetic!!  
 Deel: What did you say!? Are you going to make fun of us!!  
 Sword: I'm telling you, I saved you...  
 Sword: But that's just this one time!!  
 Blue wind: Eeek, h, he's incredible, Boss!!  
 Sword: Certainly!! That's the fragment of Satan's soul...!!  
 --- Page 033  
 Sword: I'll get it, the second fragment of Satan's soul!!  
 Sword: Stop your futile struggling, there's no-one who's amatch for the  
 power-upped me!!  
 Sword: Secrets of the Ankokumatoujutsu...  
 --- Page 035  
 Sword: Ittou Ryoudangeki!!! (Cleaving in one strike attack!!!)  
 <Deel: That's Satan-sama's soul!! Terrible!! If Sword gets it...>  
 Sword: Now, come, soul-fragment!!  
 --- Page 036  
 Deel: I can't allow that, Sword!!  
 Sword: What's this wind...!?  
 Deel: I'm sorry, but I'll take Satan-sama's soul!  
 Deel: With this Dark Ovoid!!  
 Sword: Wha!?  
 <Sword: What's that!? It's fucking absorbing Satan's soul!!>  
 Deel: Are you surprised!? Not only the Devilspawn can absorb Satan-  
 sama's soul!!  
 --- Page 037  
 Deel: From now on, it will be a contest of who collects Satan-sama's  
 soul first!!  
 Deel: Go, Red wind, Blue wind!!  
 Sword: W, wait, bitch!!  
 Deel: See ya!!  
 Sword: You bastards!! You fucking forget I saved you! Return the soul-  
 fragment!!  
 Shekil: Really, you truly are a dimwit...  
 If you let a Devil like that take the soul-fragment...  
 Sword: Shut up!! Where've you been fucking hiding until now anyway,  
 bastard!?  
 --- Page 038  
 Shekil: What can I do, in a situation like this!?  
 (Girls: Eeek, Shekul-kun, I'm scaaaared)  
 Girl: That was a great attraction, wasn't it!!  
 Sword: Attraction, you say...  
 Girl: It was so intense!!  
 Nanami: S, Sword...  
 Sword: What is it!!  
 Nanami: Um... I'm sorry. I was the one who told you to save that kid...  
 Sword: Uh...  
 <Sword: What's this, why can't I get mad when she makes a face like  
 that...>  
 Sword: Shiit!! My soul-fragment... I'll make sure to get it back!!  
 ---Chapter 3-----  
 --- Page 039  
**Text: Chapter 3, The Town with Disappearing Water.**  
 --- Page 040  
 Sword: Shiit!!  
 Sword: Just as I was about to obtain the second soul-fragment...!!  
 Sword: Having it snatched away by a brat like that... My ambitions to  
 become a Devil again...!!  
 Ios: Please calm down a little, Sword.  
 Sword: Who's not calm!!  
 Ios: But... The Four Generals of Hell have completed a replica of the  
 Devilspawn,  
 and begun to collect the fragments of Satan's soul... This'll be a  
 problem.  
 Sword: Hmph...  
 --- Page 041  
 Sword: Don't make fun of me!! I won't let those guys take the soul-  
 fragments as they please!!  
 Shekil: Even though you don't know where the fragments are?  
 Shekil: I'm reluctant, but... I can lend you a hand.  
 Sword: Be silent, you damn Angel!!  
 Shekil: Ow!  
 Sword: What the fuck are you saying!! You were totally useless last  
 time, asshole!!  
 (Shekil: I'll kill you later...)  
 Shekil: Bastard... Can you still say that after having seen this...?  
 Sword: What?  
 --- Page 042  
 Ios: That's...!! What you're hold is the holy tool said to point to the  
 item you desire...  
 Ios: The "Oracle Compass"!!  
 Sword: Oracle Compass? What's that!?  
 Shekil: You're so ignorant... To put it simply, it's like a detector.  
 Shekil: It's said that in the last great war, it pointed out the  
 location of Satan's army's headquarter, and guided us to victory.  
 If you hold this and desire the location of Satan's soul, it should  
 guide you there.  
 Sword: I see. I don't really understand, but...  
 --- Page 043  
 Sword: You're saying that if I have this, I can collect the fragments  
 before those guys!!  
 Sword: Ooh! It's reacting immediately!!  
 Sword: Alright, let's go right away!!  
 Ios: Wait a minute... That would be bad!  
 Sword: Why's that, Ios...?  
 Ios: I'm sure we had a test this afternoon, so...  
 Sword: You fucking idiot!! Which is the most important, atest or the  
 soul-fragments!?  
 Ios: But...  
 Sword: Hey, let me lose, I'll go alone if I have to!!  
 Shekil: As expected, Ios-sama speaks diligently!!  
 Ios: Anyway, we'll take the test, and then...  
 Shekil: Ios-sama!?  
 --- Page 044  
 Kanna: I put the hindrance to sleep. Now, shall we go...  
 Ios+Shekil: Kanna!?  
 Shekil: You asshole, bring Ios-sama back!!  
 Kanna: You're noisy, shut up!!  
 Kanna: Let's go, Sword!!  
 Sword: Wait a minute!! Why do I have to go together with you,  
 bastard...  
 --- Page 045  
 Kanna: If you don't wanna go, that's no problem...  
 Sword: When did you...!?  
 Sword: Give it back, you asshole!!  
 Deel: Hehe, I heard you. Allllright, I'll snatch away the fragment of  
 Satan's soul today as well!!  
 Deel: If I act now, maybe I'll become the top of the four generals...!!  
 Fennel: Don't say that!!  
 Fennel: This time, I'll go!!  
 Deel: Fennel!!  
 --- Page 046  
 Kanna: Sword, is it really here?  
 This is a big rural town.  
 Sword: I... I don't know.  
 Kanna: Did you imagine the soul-fragment properly?  
 Sword: I did!! But this thing's just been spinning around since a while  
 ago, so I can't point anywhere!!  
 Kanna: Seems like it won't work when you're too close...  
 Sword: Work, goddammit!!  
 Sword: Gaah!! You worthless thing!!  
 Kanna: No, maybe not... Don't you feel it?  
 --- Page 047  
 Sword: This is... The surge of Satan's soul... Somewhere close by...!  
 Sword: Let's go!!  
 Sword: Kanna... I'm telling you, you mustn't get in my way!!  
 Kanna: Heh...  
 Sword: Found it!!  
 Sign: Danger!  
 --- Page 048  
 Sword: Bastard, are you the one with the fragment!!  
 Sword: Get ready!!  
 Sword: Huh?  
 Sword: Eeek!! A, a cross!? Why does a Devil have something like this!?  
 Mizuno: I thought it was a demon, but if isn't it Sword-san!  
 --- Page 049  
 Sword: Mi... Mizuno!?  
 Sword: Why...?  
 Mizuno: What are you doing at a place like this?  
 Sword: That's my question!! When I thought we'd found that damn  
 framgent...  
 Sword: Why were you misleading us like this, bitch!?  
 Sword: Eeek!!  
 Mizuno: Who's misleading!?! I'm here with work!!  
 Sword: Work...?  
 Kanna: ?  
 --- Page 050  
 Mayor: Mizuno-san, how was it... Did find something at the water-tank?  
 Mizuno: Mayor-san... As expected, there's something evil in this town.  
 Unfortunately, it managed to escape, but...  
 Sword: Hey, is that true, what you just said!? There's something here!?!  
 Mizuno: Yes.  
 Sword: Heh... I see, Satan's soul really is here! No mistake!!  
 Sword: Alright, I'll absolutely get it!!  
 Mayor: Uh...  
 Mayor: Mizuno-san... That's not the answer I wanted.  
 --- Page 051  
 Mayor: Right now, this town is suffering from a water-shortage, the  
 cause of which is unknown.  
 But the problem is the citizens complaining about having seen a monster  
 at the water-tank...  
 Mayor: Therefore, I called you.  
 Mizuno: So I can exterminate...  
 Mayor: No!! What you must do is to prove that there's no monster or  
 anything.  
 Mayor: If you do that, the rumors are sure to disappear... If the  
 citizens just calm down, it's fine.  
 Sword: Wait a minute, what about the mosnter!?  
 Mayor: Don't say such idiocy... There's no such thing as monsters.  
 Sword: What did you say, you old fart!!  
 Kanna: Idiot...  
 --- Page 052  
 Sword: What if I can show you proof right here!?  
 Mizuno: Please calm down, Sword-san.  
 Kanna: I can't stay with those...  
 Girl: ...? Oniichan...? Who are you?  
 Kanna: What... Are you a daughter of this house...? This is not a time  
 for children to be up.  
 Girl: I'm sorry. But, I'm very thirsty...  
 Kanna: Did you catch a cold...?  
 Girl: No, I didn't... but, my body is hot... I'm very thirsty...  
 <Kanna: Feh... Can't be helped. Children are my weakness...>  
 --- Page 053  
 Kanna: Just wait a little...  
 Girl: Oniichan... That pendant...  
 Kanna: ...!? This, is it yours?  
 Girl: Thank you. This is my treasure I got from father.  
 Mayor: Miyuki! What are you doing here!!  
 Mayor: Aren't you supposed to be sleeping in your room!?  
 Miyuki: Father...  
 Sword: Heey, who's the brat?  
 Mayor: It's no business of yours, so hurry up and get out of here!!  
 Sword: Y... you!!  
 --- Page 054  
 Sword: That old fart makes me sick!!  
 If he's like that, I'll find that monster for sure!!  
 Sword: And then... after collecting the soul-fragment, I'll bring him  
 it's head!!  
 Sword: Mizuno, did you really say that the monster will appear!?!  
 Mizuno: Y, yes...  
 Mizuno: That monster is laying waste to the water reservoir and the  
 water-tank.  
 Mizuno: And, this is the last tank keeping water for this town.  
 If the monster seeks water, it's sure to appear here!  
 --- Page 055  
 Kanna: Be quiet. It seems to have appeared...  
 Kanna: !!  
 Sword: What, you must be mistaken. That's the brat from before...  
 Sword: What're you doing?  
 Kanna: Be silent and watch.  
 --- Page 056  
 Sword: Wh... the water, she's...!?!  
 Mizuno: No way... then, that child!  
 <Sword: It's not just that... the surge of Satan's soul I've been  
 feeling since before is starting to pound louder!>  
 Sword: No way... That brat has the fragment of Satan's soul!?

## --Chapter 4-----

--- Page 057

**Text: Chapter 4, Father and Daughter.**

--- Page 058

Sword: No mistake! That brat has the soul-fragment!!

Miyuki: Aaaah!

Sword: Wh... what, that steam... the water she's drunk is evaporating!?

--- Page 059

Miyuki: Kyeeeee!

&lt;Sword: She's... being fucking controlled by Satan's soul!!&gt;

Miyuki: Cheh!!

--- Page 060

Sword: Hehe... The fragment's power is impressive!! But, it's not awake yet.

Sword: I understand why you were gathering water now, bitch...

When the soul-fragment begins to awaken, it causes a strong heat to break out...

Sword: To cool down in order for the body not to be destroyed by the heat, a human that has it would have to drink a lot of water!!

&lt;Kanna: That's... That pendant...!&gt;

--- Page 061

Miyuki: Kyeeeh!

Sword: I'll tell you, I won't go lightly on you just because you're a brat!!

Sword: If it's to obtain the soul-fragment!!

Sword: Huh!?

Mizuno: Sword-san, look out!!

--- Page 062

Sword: !!

Sword: Ka... Kanna?

Miyuki: Grrrr!

Kanna: ... don't think badly of me!

--- Page 063

Miyuki: Uh...

Sword: Hey, did you really kill her!?

Kanna: Idiot! I just struck her unconscious...

Sword: If Satan's soul awakens completely, it might not be that simple...

Kanna: Hey, you there... How long are you going to stay hidden?

Sword: Bastard... you're this brat's father...!?

Mizuno: Mayor-san!?

Kanna: You knew, didn't you, about this girl...

--- Page 064

Mayor: That child has always had a weak constitution, and almost never been able to go out...

I lost my wife early, but I thought that at least that child could get well.

Mayor: At that time, I found that pendant at an antique-store...

Mayor: For some reason, I was very charmed by that pendant... I bought it to give to my daughter.

(Miyuki: Fatheer!)

Mayor: Then, that previously weak child became unbelievably healthy.

Mayor: However...

Soon after that, the rumors of a monster at the water reservoir started...

--- Page 065

Mayor: I thought I'd take away the pendant... but when I saw how healthy my child was...

Mizuno: So, you told me to say there was no monster...

Sword: Satan's soul was waiting. For a human like you to come and do something! ...really, that's so fucking petty...

Sword: This is your duty. Give up!

Mayor: But... what will become of that child!?

Sword: The pendant is already fused with that brat's body. It's impossible to remove it.

Then, the body will be eaten by the soul-fragment... After that, it's over.

Mayor: Sh... she'll die...?

Kanna: ...

--- Page 066

Miyuki: ...who...?

Miyuki: Ah... The oniichan who found the pendant for me...

Kanna: ... sorry.

Miyuki: ...? Why are you apologizing?

&lt;Kanna: If I'd noticed the fragment when I found that pendant, this wouldn't have... it's my fault!!&gt;

Miyuki: Hey, oniichan...

Miyuki: Am I going to... die?

--- Page 067

Kanna: You... will it really be fine for that stupid father to become alone?

Miyuki: .....

Miyuki: (\*shake\* \*shake\*)

Kanna: Then it's OK. It's still too early to give up...

Miyuki: Oniichan... When we first met, I thought you were a scary person, but... You're a kind oniichan...

Kanna: G, go to sleep already and stop saying such stupid things!!

Miyuki: OK.

Sword: Hehe...

Sword: I didn't know... that you liked children...

--- Page 068

Kanna: What do you want?

Sword: Even if I obtain the soul-fragment, I don't know what will happen to that brat!!

Sword: But... since it'd be bad if it awoke now, I came with some good news...

Sword: That's...

Kanna: What!?

&lt;Kanna: This surge... could it be!?!&gt;

Sword: Shit!!

--- Page 069

Sword: It's already begun to fucking awake!!

Miyuki: O... oniichan...

Kanna: Ngh...

--- Page 070

Sword: Can't be helped!!

Sword: Kanna, listen carefully! There's only one chance!!

Sword: Only the moment that brat is swallowed in can the soul-fragment be separated from the body!!

Sword: You have to do it in one blow!! Don't fail!!

--- Page 071

Sword: Majin Rekkousatsu!!

Kanna: HAAAAAH!

Miyuki: O... nii... chan...?

--- Page 072

Mayor: What was that sound!? Miyuki...!

Mayor: N, no... it can't be, because of that pendant...!

Aaaah, it's my fault... If I had taken it away...!

Kanna: Hey... Don't kill your own daughter off on your own.

Mayor: Huh...

--- Page 073

Miyuki: ... I can't let you become alone, father.

Mayor: Miyuki...

Mayor: I'm so glad!! If something had happened to you, I'd... I'd...

Miyuki: That hurts, father...

Miyuki: Oniichan, oneechan, byebye!!

Sword: Heh...

The brat seems to have been cured by Satan's soul.

--- Page 074

Kanna: Heh... Sword, I didn't expect you, a Devil, to care about a child...

Sword: Feh... I only did it to obtain Satan's soul!!

Kanna: What, you definitely got a blue face when you heard the brat was dead, bastard!!

Sword: Dunno about that.

Mizuno: ...

Mizuno: Please stop you two. That's indeceent!!

Text: Meanwhile, at the school...

Deel: Get out of the way, Fennel!! I have to find Sword!!

Fennel: What, Deel, can't you leave it to me this time!!

Bazil: I see... Sword got the second fragment.

Bazil: And...

You kept arguing the whole time...

Fennel: It doesn't matter... Didn't you get the third fragment meanwhile, Bazil?

Deel: That's right! Now, we have four! We're in the lead...

Fennel: Don't get upset. We just have to defeat him and take them back.

Bazil: It won't be so easy. He's become much stronger than expected.

--- Page 079

Fennel: Wait a minute, Bazil, you can't be saying we'll lose or something!?

Bazil: I'm not saying that...

Bazil: However, since he really did beat Galam...

Galam: Ngh...

Fennel: Feh, I don't want to be compared with Galam!!

Fennel: I, Fennel Cardi, Demon Lord of Fire, one of the Four Generals of Hell, won't lose to someone like Sword!!

--- Page 080

Sword: \*yaaaawn\*, at last today is over...

Really, this studying stuff makes my head hurt.

Sword: I wanna go home and sleep right away...

Nanami: You can't, Sword!!

Nanami: Since you skipped the exam the other day, you have to take a make-up now!!

Sword: What, make-up, don't make fun of me, why'd I have to do something like that...

Nanami: Wha...

Nanami: Since Kanna-kun &amp; co's results are usually good, they were excused, but if you don't do it you'll be held back a year!

Sword: Shut up, I didn't know about that!!

Sword: Hm?

--- Page 081

Sword: What's this?

Sword: What... I'll be waiting next to the campus club-house after school?

Nanami: Huh?

Nanami: Let me see that! No way, it can't be a loveletter...

Sword: Loveletter? What's that...

Ios: A loveletter something you use to tell your feelings to the one you love.

Sword: Oooh, meaning there's some woman with feelings for me?

Nanami: W... wait a minute! What are you thinking!?

Sword: That should settle it, then...

Nanami: C, cut it out with that weird face!!

Sword: What... Can it be that you're jealous?

--- Page 082

Sword: Uh...

Nanami: Stop kidding! Who'd be jealous for your sake!!

Sword: Then go home already. I'm looking forward to this.

Ios: Na... Nanami-san...

Nanami: Sword, you idiot...

Nanami: Don't get excited!

Sword: Huh...!? What's this... No way...

Sword: Uhn... ngh...

Nanami: Hehe, that's right! The glasses that switch places between you and Souma!

--- Page 083

Souma: ... Na, Nanami... -chan?

Ios: Souma-kun!!

Nanami: Allright, Souma, you'll take the make-up and march straight to home, understood!?

Souma: Huh...!?

Souma: B, but somebody went to the trouble of sending that letter...

Nanami: Understood, Souma!?

Souma: Y, yeess!!

Nanami: Good!!

Souma: Wh, why do you have to be like that... Even though we haven't met in so long!!

--- Page 084

Souma: I... I'm exhausted...

I nver thought it'd be a make-up of the entire subject.

Souma: Why was she like that, even though I hadn't done anything wrong...

Sword: ...! I'm asking you, please study properly.

Souma: Uuh!!

Souma: Uh... I'm not getting anywhere...

Souma: ...! That's...

--- Page 085

Nanami: Allright, you'll take the make-up and march straight to home, understood!?

Souma: If I don't march straight to home, Nanami-chan will get mad.

Nanami: Souma, you broke your promise!!

Souma: Eeek!!

Souma: But, this is just bad luck... If she'd be at least a little nice...

Souma: Yes, I, too, should have the right to become happy!!

Souma: ...? There's nobody here...!

Souma: Maybe this letter is a prank...

--- Page 086  
 Souma: Th... that's so cruel! Does somebody have a grudge against me?  
 Fennel: Hehe... you finally came... I've been waiting.  
 Souma: Th, the gods haven't forsaken me yet!!  
 Souma: Uh...  
 Souma: Eeeek owoww!  
 It should be a love-confession, why fire...?  
 Fennel: Does my confession not please you?  
 Souma: !!  
 --- Page 087  
 Fennel: My name is Fennel Cardi!! Sword, I'll take your life!!  
 Sword: M, maybe I have been forsaken by the gods...  
 --- Page 088  
 Fennel: Get ready!!  
 Souma: Wait a minute!!  
 Sword: I, I'm not Sword!!  
 Fennel: What are you saying?  
 Fennel: Hm... maybe you're the human sharing a body with Sword...?  
 Souma: Yes!! That's right!! So, you'll have to save the fight for the next time...  
 --- Page 089  
 Fennel: Then, hurry up and change to Sword!!  
 <Souma: Even if I want to change, these can only be taken off by the person who put them on!!>  
 Fennel: I see... You're not going to change... You're brave for a human.  
 Souma: Wait, you're mistaken!!  
 Fennel: Then, I'll make you want to change!!  
 Fennel: Sword of Gehenna, answer the call of my voice and bring the fires of Hell!!  
 --- Page 091  
 Fennel: How's this, now you have nowhere to run!!  
 Souma: L, lavaaa!? Why'd the campus become like this!?!  
 Souma: If I fall, I'll die... won't I?  
 --- Page 092  
 Fennel: If you don't want to die, bring Sword!!  
 Souma: Didn't I tell you I can't!?!  
 Souma: Uh,  
 Souma: This... can't be happening...  
 ---Chapter 6-----  
 --- Page 093  
**Text: Chapter 6, Strong Weapon.**  
 --- Page 094  
 Souma: This can't be happening...  
 Fennel: So, if you don't want to die, send out Sword!!  
 Souma: Waaah!  
 Fennel: !!  
 --- Page 095  
 Fennel: Wh, whaat!?!  
 Fennel: That's... the Uraankokumatoujutsu?  
 --- Page 096  
 Souma: \*huff\* \*huff\* I thought I'd die.  
 Fennel: The Uraankokumatoujutsu... I've heard rumours of it, but... I'd never thought a human like you really could use it!  
 Fennel: But... This means I don't have to go easy on you, despite you being a human!  
 Nanami: Take the make-up exam and march straight home!!  
 <Souma: Haha... I should've done as Nanami said...>  
 --- Page 097  
 Nanami: Whaat!! That damn Souma still hasn't returned?  
 Father: That's right, even though it's already 10 o'clock... Nanami, don't you know anything!?!  
 Nanami: ...  
 Letter: To Amano Souma-san. I'll waiting behind the clubhouse after school.  
 Nanami: Hmmm, is that how it is!  
 Father: Na... Nanami-chan...?  
 Nanami: He sure has some guts! Breaking his promise with me, and unconcernedly going to meet whoever wrote the letter...  
 Nanami: This is unforgivable!!  
 Father: S... scary...  
 --- Page 098  
 Fennel: In the name of Fennel Cardi, demon lord of fire, I'll kill you!!  
 Fennel: And then, I'll take back the Devilspawn; get ready!!  
 Souma: H... hey, wait a minute...  
 Souma: I don't want to fight you...  
 --- Page 099  
 Fennel: You're pathetic to plead for your life after coming this far!  
 Fennel: Aren't you a man!!  
 --- Page 100  
 Souma: Uuh...  
 Fennel: Heh... You're tough just because you share a body with Sword.  
 Fennel: Now, the true battle begins!!  
 Fennel: I've told you, even if I you don't want to fight, I'll kill you, or... Do you want to die so badly!?!  
 Souma: N... No I don't, I don't want to die!!  
 Souma: But... um...  
 You're, um... a girl... can't we talk this over...  
 --- Page 101  
 <Fennel: T... talk this over!? Just how stupid is this human... I can't believe it...!>  
 Souma: And...  
 Souma: I don't think a girl should do such things...  
 Fennel: How can you say that when you're about to be killed!? I'm first and foremost a Devil!! Man or woman doesn't matter!!  
 Souma: B... but...  
 <Fennel: I seem like I fool if I truly fight an idiot like this, don't I...>  
 Fennel: Is this what a human is? I can't understand it.  
 <Fennel: But, I can't return empty-handed...>  
 Nanami: Souma!!  
 --- Page 102  
 Souma: Na, Nanami-chan!!  
 Nanami: Souma, you...  
 Nanami: You really did break your promise, and went to see the person who sent the letter!!  
 Souma: Huh?  
 Nanami: You jerk, you're just badly influenced by Sword!!  
 Souma: Calm down a little. This person is a Devil, and just now, I...  
 Souma: 'm about to be killed, but...  
 --- Page 103  
 Nanami: Bek!  
 Souma: S... stop, please don't hurt Nanami-chan!!  
 Fennel: Heh... Now that this woman's come, you'll fight...  
 Sword: I don't know why, but...  
 There's no need for that, is there.  
 Fennel: Are you saing you won't fight even if she dies!?  
 Sword: Ngh...  
 --- Page 104  
 Souma: Shiit, I don't want to do this!!  
 Fennel: Heh, think you can still win!? I'll show you the power of one of the four generals!!  
 Fennel: Bakuen Shouheki!!  
 Souma: Wha!?!  
 --- Page 105  
 Souma: No way... She stopped it so easily...  
 <Souma: This weapon won't do... something different...>  
 Souma: Anything's fine, just come forth!!  
 Souma: Wh, what's this?  
 Fennel: Keep making fun of me, will you!! Then...  
 Fennel: I'll kill you in an instant!!  
 --- Page 106  
 Fennel: How long can you resist with that thing, I wonder!?!  
 Nanami: Souma!!  
 <Souma: Sh... if this keeps up, Nanami-chan will also...>  
 Souma: A stronger... A stronger weapon!!  
 Fennel: !!  
 --- Page 107  
 Souma: Waaaaah!  
 --- Page 108  
 Souma: Wh, what was that... strong... big...!?  
 <Fennel: What's this huge power!? Can a human also be affected by the power of Satan-sama's soul!?!>  
 ---Chapter 7-----  
 --- Page 109  
**Text: Chapter 7, Confrontation.**  
 --- Page 110  
 Fennel: This huge blade... Is this the power of Satan-sama's soul...!?  
 --- Page 111  
 <Souma: I see!! Because Sword powered up, the weapons I create from his soul also...>  
 Souma: But, I can't handle something this big...  
 Nanami: Souma!!  
 Nanami: You idiot!! The school...  
 Souma: You don't have to say that!!  
 Fennel: Wha!?!  
 Fennel: No way, is he going to crush me like this...!?  
 --- Page 112  
 Souma: I... I can't believe it... could I... have won?  
 Souma: !!  
 --- Page 113  
 Fennel: Don't make fun of me!!  
 --- Page 114  
 Souma: N, no way...  
 <Souma: My body isn't powered up... If this keeps up...>  
 Fennel: But, you surprised me a bit! I didn't think a human could damage me...  
 Fennel: You've made me serious... Prepare yourself!!  
 Souma: Run, Nanami-chan!!  
 Nanami: Idiot! I can't do that!!  
 --- Page 115  
 Fennel: Deece, Human Amano Souma!!  
 Nanami: Eeeek!  
 Fennel: What!?!  
 --- Page 116  
 Sword: Die, you say!? Who are you fucking saying that to...  
 Fennel: S... Swoord!!  
 Nanami: I should've done that in the first place...  
 Sword: Feh, stupid... Couldn't you have realized that a bit sooner!  
 --- Page 117  
 Fennel: Feh!!  
 Fennel: Perfect, I'll both you and the human!!  
 Sword: Cut it out... After the fight with Souma, you no longer have the power to fight me.  
 Fennel: Don't say that until you've defeated me!!  
 Sword: ...idiot!  
 Sword: !!  
 --- Page 118  
 Sword: Wha!?!  
 Fennel: That's... The spear of water, Masousuisen!?!  
 Fennel: No way...  
 Bazil: That's enough. We don't need to settle things with Sword yet...  
 Sword: Bazil!!  
 --- Page 119  
 Sword: Hehe... The full force of the Four Generals of Hell, eh... Are you the commander, asshole!?!  
 Bazil: My name is Bazil Hornet. Remember that I control the Four Generals...  
 Fennel: Ngh...  
 Bazil: It seems Fennel has been impolite to you... Accept my apologies.  
 Sword: Heh...  
 Nanami: S... Sword...  
 Sword: We'll fight in the end anyway... It's just a matter of sooner or later.  
 --- Page 120  
 Sword: Perfect!! We'll settle this here and now!!  
 Sword: Secrets of the Ankokumatoujutsu, Majin Rekkousatsu!!  
 Bazil: ... it's no use...  
 --- Page 121  
 Sword: What's with this water!?! It fucking cut off my Rekkousatsu!!  
 Bazil: I'm the Demon Lord of Water... There is nothing I cannot cut off with the flow of water!!  
 Bazil: Step back, Sword!!  
 --- Page 122  
 Bazil: Maha Souranbu!!!  
 Sword: Gwaah!  
 --- Page 123  
 Sword: No... way... even though... I powered up!!  
 Nanami: Sword!!  
 Sword: Ngh...  
 Sword: Sh... shut up, step back, Nanami...  
 Bazil: It would be simple to kill you here and now... but, I find battles where the outcome is certain unesthetic.  
 <Sword: He really is strong...!>  
 Galam: Esthetic... Are you still saying such things?  
 Galam: No way... You can't be planning to betray Satan-sama?  
 Bazil: ...  
 --- Page 124  
 Bazil: Heh... Don't be silly...  
 Fennel: But if you keep that up, we won't reach a conclusion.  
 Bazil: Listen closely. We currently have four of the fragments...  
 Bazil: And, we already know where four more are.  
 Together with the two you have, that's a total of ten...  
 --- Page 125  
 Bazil: With three more, all thirteen fragments will be complete.  
 Bazil: You should collect those three fragments before your friends die.

Nanami: !!  
 Bazil: Tomorrow at sunrise, this school will become a battlefield!!  
 Bazil: If you're too late in collecting the fragments, we'll take your friends, and all the pupils in the school will lose their lives.  
 Sword: Y, you asshole... You're going to involve others...!?  
 --- Page 126  
 Bazil: That way, you'll have some motivation, right...?  
 Sword, collect the remaining three fragments, and get the power you need to fight me!!  
 Nanami: Sword...  
 Bazil: And, to survive, you'll have to get all the fragments!!!  
 ---Chapter 8-----  
 --- Page 127  
**Text: Chapter 8, Surprise Attack.**  
 --- Page 128  
 Sword: All right, we're all here!!  
 Sword: Listen well, assholes!! If you don't want to die, come to school for a while obediently.  
 Gang: Huh?  
 Nanami: You called us here without warning in the middle of the night to say that!?  
 Sword: Just do as you're told!!  
 Ios: Sword, are you going to fight the Four Generals alone...?  
 --- Page 129  
 Ios: I heard from Nanami-san that you fought with the Four Generals... That the thirteen fragments will be complete with three more... and...  
 Ios: Also that until you have them all, they'll make the school a battlefield and kill everybody there...  
 Gang: !!  
 <Sword: Feh, damn Nanami, even though I told her to keep silent.>  
 Ranfuu: Meaning that except for Sword, all the pupils of the school including us will be targeted?  
 Sword: That's why I told you to do as I say!!!  
 Sword: We'll take the remaining fragments later! I'll settle things with the Four Generals tomorrow!!  
 --- Page 130  
 Ios: ...can you win, as things are now...  
 Sword: What!?  
 Ios: Against Bazil Hornet, Demon Lord of Water, who drove you off despite you having two fragments?  
 Sword: Uh...  
 Ios: Sword, please get the remaining fragments first. Meanwhile, we'll keep the four generals in check and protect the school.  
 Ranfuu: Heh... I don't like it, but it can't be helped. I can't just let the guys at school die...  
 Garvera: That's right.  
 Shekil: I disagree! Why'd you help such a Devil...  
 Ios: Shekil...  
 Shekil: Uh... no... it was nothing...  
 --- Page 131  
 Sword: ...feh, you're all just idiots...  
 Sword: But, I'll just tell you one thing.  
 Sword: They're strong, so don't get upset at me even if you die!!  
 Ios: Heh... As you wish.  
 Shekil: Make sure you don't run away when you're off looking for the fragments.  
 Sword: What did you say you bastard!!  
 --- Page 132  
 Galam: Hehehe... About now, Sword should be off looking for the fragments...  
 Galam: Be watching, Sword, until you return, your comrades will meet death!!  
 Galam: Gwahahahaha!  
 Deel: Galam is really energetic, isn't he...  
 Fennel: Heh.  
 Deel: Hmmm? What's the matter, Fennel... You don't seem very interested?  
 Fennel: I'm only interested in Sword...  
 Fennel: Anyway, where'd Bazil go?  
 Deel: Hmmm...  
 --- Page 133  
 Deel: He said he'd go up to the roof before, but...  
 Bazil: Satan-sama's soul, the remaining three...  
 <Bazil: When all thirteen fragments are complete... Then...>  
 Devil: That is when Satan-sama will be resurrected, Bazil...  
 Bazil: ...who?  
 --- Page 134  
 Shadowface: My name is Shadow-Face!!  
 I've been asked by Satan-sama to observe you Four Generals...  
 Bazil: Observe, you say?  
 Shadowface: Satan-sama's worried you still haven't returned with the soul-fragments...  
 --- Page 135  
 Shadowface: Why are you...  
 Bazil: Silence!!  
 Bazil: There's no need to worry...  
 Shadowface: ...then, why haven't you taken the fragments from Sword...?  
 Bazil: We can't have a weak enemy. We follow the esthetics of battle...  
 --- Page 136  
 Shadowface: Esthetics, eh, how interesting...  
 Can I tell Satan-sama that?  
 Bazil: We'll get the fragments our way. If there's a problem with that...  
 Shadowface: Fine. Then I'll let you do as you please...  
 Shadowface: Oh, right... Don't forget to deal with Sword's remaining comrades afterwards...  
 Shadowface: Those who oppose Satan-sama must not live.  
 --- Page 137  
 <Ranfuu: Strange... Why hasn't anything happened...?>  
 <Ranfuu: I thought there'd be a battle, but... School is the same as always...>  
 Galam: Ranfuu-kun,  
 Ranfuu-kun!  
 Galam: Please solve this problem.  
 <Galam: Feh... What a bother...>  
 --- Page 138  
 Ranfuu: Hm?  
 Ranfuu: Th, this guy's... a mud-doll...!?  
 Ranfuu: Can it be...!?  
 --- Page 138  
 Ranfuu: Gw...ah...  
 --- Page 139  
 Galam: Hehehe.  
 Ranfuu: Y... you... bastard...  
 Ranfuu: \*huff\* \*huff\*  
 Galam: Foolish human!! I could easily fool you just by erasing my demonic signs and taking human shape!!  
 <Ranfuu: The Four Generals of Hell!! They're the teacher-practicians...>

Galam: First things first... I'll take your soul!!  
 <Ranfuu: Sh...it... this is bad!! I have to tell the others...>  
 Ranfuu: Gwaah!!  
 --- Page 140  
 Garvera: Just now... A faint demonic sign...  
 <Garvera: Was it my imagination...? Yeah, I wouldn't mistake the sign of a Devil!>  
 Girls: Asou-saaan, if you don't hurry up and change, you'll be late for class.  
 Garvera: Y, yes...  
 <Garvera: Four Generals... If you're coming, then come!! Punishing Demon Garvera will be your enemy!>  
 Garvera: !  
 Garvera: You came...  
 --- Page 141  
 Garvera: !!  
 Garvera: Huh... a, a kid...!?!  
 ---Chapter 9-----  
 --- Page 143

 Garvera: A, A kid...!?  
 Garvera: Where'd you enter from? This place is dangerous, so get away...  
 Deel: Hehe... Can't do that. I have business with you, Punishing Devil Garvera.  
 Deel: Maryuu Reppuran!!  
 --- Page 145  
 Garvera: Wha...!?!  
 Deel: Oh, you defended well when I went easy on you. Then maybe we can play a bit!?  
 Garvera: That technique... A whirlwind cut? You can do that... Can it be...!?!  
 Deel: That's right!! I'm the Demon Lord of Wind, Deel Faust!!!  
 <Garvera: Sword, you idiot!! You should've told us about the specialities of the Four Generals!>  
 --- Page 146  
 Galam: Hm...  
 Seems like Deel's started moving as well.  
 Galam: That leaves Angel Ios, doesn't it... There's a barrier stretched around us, so he hasn't noticed yet.  
 <Shadowface: Wait, Galam!>  
 Galam: Wh, what!?!  
 Shadowface: My name is Shadowface!! I have come here on Satan-sama's orders.  
 --- Page 147  
 Shadowface: Galam, as things are, even if you fight, you cannot beat Ios... or Sword.  
 Actually, he already hurt you once.  
 Galam: That was just because I was unprepared!! Next time, I'll surely kill him!!  
 Shadowface: Satan-sama desires certain victory.  
 Shadowface: So, I thought I'd tell you something interesting... How about that?  
 --- Page 148  
 Garvera: Haaaaaaah!  
 Deel: Whoop!  
 Deel: How disappointing!! I could see that attack miles away. I guess you need another break!!  
 Garvera: Don't make fun of me! Why are you just avoiding and not attacking!?!  
 Deel: Eeh!? If I did that, wouldn't it'd be over too soon!?!  
 <Garvera: This guy...!! How long is he gonna keep that up!? But, he's certainly strong!! What should I do...>  
 <Garvera: If I do that... I'm not sure it'll work against a kid, but...>  
 Deel: Hm?  
 --- Page 149  
 Deel: Huh!?!  
 Deel: Waah... Wooww!!  
 Garvera: Idiot!! That worked even against a kid!!  
 Deel: Shit!!  
 <Garvera: Huh... Mud!?!>  
 --- Page 150  
 Garvera: I, I can't move my feet... What's this?!!  
 Galam: What are you playing games about, Deel...  
 Deel: Galam!! Why'd you come here!? Don't get in the way of my fight!!  
 Galam: Is this a fight...!? Isn't it just playing games!!  
 <Garvera: Is this guy also one of the four generals...!? This is bad...>  
 Deel: She's my target, so get away!!  
 --- Page 151  
 Deel: Huh?  
 Garvera: Wha...!?!  
 --- Page 152  
 Deel: Galam... What the hell are you doing...  
 Galam: Heheheh.  
 Galam: Gwahahaha!! I'm sorry, Deel, but you had to die for my sake!!  
 Garvera: What the hell are you...  
 Galam: Ooh, you're still around... Don't worry, I'll take your soul as well!!  
 <Garvera: This guy... he's dangerous!! Sword, please hurry up and return!!>  
 --- Page 153  
 Sword: The oracle compass is reacting. The soul-fragment is close!!  
 Sword: Or it should be, but...  
 Sword: What, here!? Isn't this the Yakumi Onsen!!  
 Mizuno: This is where the Devilspawn was resting... It's like drawn to a lighthouse.  
 Sword: Th, that voice!?!  
 --- Page 154  
 Mizuno: Hiii...  
 Nanami: Hehe... We've been waiting... you came.  
 Sword: ...  
 Sword: What the hell are you bitches thinking!? Didn't I tell you to wait at home because it's dangerous!!  
 Mizuno: Now, now, we had to come.  
 Sword: You shut up!! I'm sure you just went here, didn't you!?!  
 Gramps: Hoh hoh hoh!! You're very lively, aren't you.  
 Sword: Mizuno's gramps!!  
 --- Page 155  
 Gramps: For you to visit here again... It must be about those three fragments...  
 Sword: Three, you say!? All the remaining three are here!?!  
 Gramps: That's right. They're sealed where you obtained the Devilspawn!!  
 Sword: Wh... what did you sayyy!?!  
 Sword: Why didn't you say so at the time!? Then I wouldn't have had to go to all this trouble...

Nanami: Sword!?

Gramps: I couldn't give something so dangerous to you at the time.  
But... Now, I think it's fine.

--- Page 156

Gramps: Devil Sword, I entrust this to you.  
Sword: Heh... Just like back then.  
Nanami: Hey, Sword...

Nanami: I wonder if everyone's OK... if they're wounded or something!?

--- Page 157

Sword: Who knows, I have no idea.  
Nanami: Sword, your personality is just too bad!!  
Nanami: A little...  
Sword: That's where it is... Stop hiding and come out!!  
Sword: If you don't come out on your own...  
Sword: I'll make you!!

--- Page 158

Fennel: Hehe... I've been waiting, Sword!!  
Sword: Fennel...!! Feh... seems like I won't get the fragments easily!!!

Fennel: I've been waiting for you, Sword! And you, human Amano Souma!!  
Sword: Souma...? Heh, is that so?  
Nanami: What does she mean, Sword?  
Sword: That the one Fennel's waiting for...

--- Page 161

Sword: is the human Amano Souma!  
Nanami: Uuh, the sealing glasses!! When'd you get those!  
Fennel: Hehe... You got it.  
Fennel: That's right!! I came here to settle matters with the human who hurt my pride!!  
Fennel: At the time, I went easy on my opponent thinking he was human, but today will be different!!

--- Page 162

Fennel: I'll settle matters with that human as a single warrior!!  
Sword: As a warrior, eh...Is that why you've followed us this far?  
Fennel: The others are at school... Here, there won't be any interruptions.  
Sword: I like that!! You'll get what you want!!!  
Nanami: But... Souma will die!!  
Nanami: Huh...  
Sword: Don't worry... He can't lose!

--- Page 163

<Sword: Souma, do you hear me? You've been challenged to a fight. If you're a man... If you're the successor of the Uraankokumatoujutsu, then accept it and try!!!>  
Nanami: So... Souma!!!

--- Page 164

Nanami: Souma, hurry and take the glasses off!! Only the person who put them on can do that!!  
Souma: Don't worry, Nanami-chan... I'm not going to lose.  
<Nanami: Souma's... Saying the same thing as Sword...>  
Souma: With Sword-san soon getting the fragment... yeah... With everybody waiting at the school, he entrusted it to me.  
Souma: I still have the same feelings of wanting to run in fear as before, but...  
Souma: But I can't betray Sword-san's trust!!

--- Page 165

Fennel: Hehe... You've finally appeared, human...  
Fennel: Today, I'll be serious right from the start... I'll finish the match in one blow!!  
Fennel: My strongest technique!!  
Souma: Mizuno-san, take care of Nanami...!!  
Mizuno: Y, yes!!  
Fennel: Sword of Gehenna... In this blade dwells the fiery wings of Hell!!  
Fennel: Scorch all life with that hellfire!!

--- Page 166

Fennel: Hissatsu Gouka Houou-ken!!! {certain-kill hellfire phoenix blade}  
<Souma: In the previous battle, I couldn't use the soul-fragment, but...>  
Souma: But... This time, I should be able to...!!  
Nanami: Souma!!

--- Page 167

Souma: For I'm... the successor of the Uraankokumatoujutsu!!!  
Fennel: You can't defeat me with only defense!!  
<Fennel: What...!? A gun and a shield... He can create two weapons at the same time!>  
--- Page 168

Fennel: But, are you trying to take me by surprise!?  
Fennel: Bakuen Shouheki!! {Flame-blast Barrier}  
Fennel: Such a technique is no use against me!! Die, human Amano Souma!!!  
Nanami: Souma!!

--- Page 169

Fennel: Wha...!?  
--- Page 170

Nanami: ...  
Fennel: Wh, what... a third weapon at the same time!? Where'd you get such power...  
Souma: The Uraankokumatoujutsu is a technique embodying one's soul...  
Souma: And inside me is Sword-san's soul... and three fragments of Satan's soul.  
Fennel: You're saying you used all of those...? If a human used such mental power... you'd destroy yourself!!  
Souma: I was so into defeating you I didn't think of that...  
--- Page 171

Souma: But... As I thought, I couldn't... kill a... girl...  
Nanami: So, Souma!!  
Fennel: So, that was the fight...  
Stupid human. You kept treating me like a woman until the very end...!!  
Nanami: S, stop!!

--- Page 172

Nanami: Huh!?

Nanami: Wh... why!?

Fennel: If he'd pushed that blade out further, I'd be dead... I lost totally...  
Fennel: I can't believe I lost to a human, but... with this, it's obvious.  
Fennel: The rest...  
--- Page 173

Fennel: Sword, all that's left is for you to kill me!!  
Fennel: That human couldn't kill me. But, my pride will not let me live on after being defeated.  
Sword: I can't grant that request.  
Sword: Souma's the one that defeated you. Why would I kill an opponent

that he let live?

Fennel: Heh... So you're just like that human... You're really nice...  
Fennel: Fine, then...

--- Page 174

Fennel: I'll have to do it like this!!

---Chapter 11-----

--- Page 175

**Text: Chapter 11, Prayer.**

--- Page 176

Sword: Fennel... You... Why!?

Fennel: Since you didn't kill me, I won't let you have what you desire...

--- Page 177

Sword: The soul-fragment!! Why is it inside you!?

Fennel: Bazil said... that he knew where four of the seven fragments not found yet where...  
Fennel: That's because they're our own bodies. I soon understood... He meant us...  
Sword: What do you mean...?  
Fennel: It's simple...  
--- Page 178

Fennel: We're fake existences created from the fragments of Satan's soul!!  
Sword: ... that's why you... wanted me to kill you...  
<Fennel: All that's left is for you to kill me...>  
Shadowface: You surprised me. I'd never have thought you had figured it out as well...!!

--- Page 179

Shadowface: But... If you know, you speak too early. Would you hand me that fragment?  
Sword: Wh, who the hell are you!?

Shadowface: I'm Shadowface. The observer of the four generals... Now then, Fennel, give it to me...  
Fennel: I don't know if you're an observer or whatever, but...  
--- Page 180

Fennel: I'm not giving my soul to someone like you!!  
Shadowface: Oy oy, what's the matter?  
Shadowface: The duty of the Four Generals is to collect the fragments. Even if it means your lives... Have you forgotten?  
Fennel: Silence!! This is... my last pride as a warrior!!!

--- Page 181

Fennel: My soul belongs to the human Amano Souma, who defeated me in battle!!  
Sword: Fennel...  
Shadowface: Oh my, how unreasonable... quite unlike Galam.  
Shadowface: I told Galam as well. The truth... And, that with just one soul, he couldn't win over Ios.  
Shadowface: Obedient Galam should be taking Deel's soul about now.  
Fennel: Wh... what!?

--- Page 182

Shadowface: And... now I'll get three fragments!!  
Mizuno: Ooh!! The fragments sealed in the cross!!  
Shadowface: Now then, go back to Galam!!

--- Page 183

Sword: Wha...  
Nanami: Th... the fragments!!  
Shadowface: Now then, there's Fennel's fragment still here...  
Fennel: Uh... urr...!!  
Sword: Fennel!!  
Shadowface: Hmph...  
Fennel: Ng... gh...  
--- Page 184

Fennel: Didn't I tell you...!! I... won't let you have this fragment!!  
Fennel: Take it... SWOOOOOOOOOORD!!!

--- Page 185

Sword: Fennel, you...  
Fennel: I fought with my own will, and lost. I'm satisfied with that...  
Fennel: But... Deel doesn't know anything...  
Fennel: I have no right to ask this of you, but... Take revenge for Deel...

--- Page 186

Fennel: Please do it for me, Sword...  
Sword: ...Fennel...  
--- Page 187

Shadowface: Fool... Speaking so far despite given life by Satan-sama...  
Sword: I don't care who created her... She was certainly a true warrior.  
Sword: I won't let a bastard like you insult a warrior, I'll kill you!!  
Shadowface: Heh... Do you have time for that? Shouldn't you better hurry back to school?  
Shadowface: How long can Angel Ios last against Galam, with five fragments?

--- Page 188

Galam: Hehe... You've come?  
Garvera: That's...!! The fragments of Satan's soul!!  
Galam: There's one missing... Might Sword have gotten Fennel's fragment?  
Galam: Well, nevermind... Adding Deel's soul, it should be enough.  
Galam: Now, there's no longer a need to stay here...  
--- Page 189

Galam: With these five fragments, even Angel Ios should fear me!!  
Garvera: Uh... uuh...  
Ios: Wh, what's... This terrifying demonic power!?

Ios: !!  
Ios: Someone's... taking the souls of all the students...!  
--- Page 190

Galam: Hehehehe... The taste of human souls is so sweet!!  
Ios: Galam!?
