

Click Install to install SoundJam™ MP Free on the selected disk.

Please be sure to have your serial number handy before installing SoundJam™ MP Free.

This installer will automatically install the following:

- “SoundJam™ MP” folder on the selected destination volume.

•

“SoundJam™ Strip” in your Control Strip Modules folder.

•

“SoundJam™ Extension” in your Extensions folder.

- “USBRioDriver” in your Extensions folder (if necessary).
- “Nomad II USB Driver” in your Extensions folder (if necessary).
- “Nomad MG USB Driver” in your Extensions folder (if necessary).
- “Nomad USB Shim” in your Extensions folder (if necessary).

Select Easy Remove from the popup to remove SoundJam™ MP Free from the selected disk.
