Ruby and sapphire (forms of corundum)

Emerald

Semiprecious stones

Amethyst

Aquamarine

Garnet

Jade

Moonstone

Opal

epstyl10

Tour Details: You arrive in Sydney at 7 P.M., in plenty of time to settle in and rest.

An adventure is a dare you take personally. It's an opportunity that also involves some risk. It is inspired by an age-old sort of challenge, and the tools it involves -- boats, planes, or snow.

epfoot20

Our store features diamonds, rubies, sapphires, and emeralds.¹ We also feature a large selection of amethyst, aquamarine, garnet, jade², moonstone, opal, quartz, topaz, tourmaline, and turquoise.

¹We sell both cut and uncut precious and semiprecious gems.

²We have the region's largest selection of jade.

Diamonds, rubies, sapphires, emeralds, and jade remain our biggest sellers. We also have a substantial market for amethyst, aquamarine, and turquoise.
