

GRIN AND BARE IT ! CD-ROM

© 1997 AIM PRODUCTIONS N.V. / DE BOEMERANG B.V.

Please check your system settings before running the program.

If your system only has 4MB of RAM, please close all other applications before running the program. The program might run significantly slower on a 4MB system. Be patient and wait until the PC has finished loading before you click the mouse again. It might also be possible that certain screens cannot be loaded by the program when other applications are running in the background and there is not sufficient memory available.

Loading data from a CD-Rom drive might take considerable time depending on your system's capacities and setup. Please be patient and wait for the screen update. **Clicking the mouse repeatedly does not speed up things and might interfere with the correct execution of the program !**
