Jasmine Video Library

A Catalog of Multimedia Clip-Art

The Jasmine Video Library is a collection of professional quality video, music and stills samples; ranging from famous faces to famous places; business to science; even bikini competition to sharks. Jasmine Multimedia titles are royalty-free so you can use video, music or text to enhance and enliven your computer presentations. Choose the most appealing topics of your choice to sample and you will agree with recent reviews that the Jasmine Multimedia Collection is "stunning", "first rate" and you will know that "you really are getting the value for the money."
