Microsoft Arcade 1.0
Classic Arcade Action Blasts into Windows!

Do you have the guts to go for some glory?   Microsoft Arcade brings you the fast-action play of five classic arcade games -- right in Windows!   Take a few minutes out of a busy day to defend your turf or take an hour or more and rid the universe of evil intruders! You can customize each game, so you can play just the way you want to.   With adjustable play (just press the F9 key), it's your call.   Any way you play Arcade, it's a blast!

Featuring These Time-Honored Classics

Asteroids

Warp into hyperspace and shoot a path to the stars.

Battlezone

Deflect and destroy the enemy across a war-torn battlefield.

Centipede

Zap persistent insects to stop total infestation -- before they stop you.

Missile Command

Battle vicious battalions of airborne intruders.

Tempest

Defend yourself against a menacing horde of aliens in this unique world.
