CORRECT QUOTES

The Instant Library of Quotations

Let your writing and your public speaking come alive with irony, humor, and apt observations.   With Correct Quotes you can call up just the right quote -- without leaving your Windows word processor.   From Socrates to Steinbeck, Trotsky to Thoreau, John Milton to Milton Berle, the sayings you'll find will help you evoke the right mood and add punch, style and variety to your prose. Correct Quotes is fast, versatile, and fun.   Plus it grows with you. Just type in any quotes or topics you want to add, and create your own "clippings" file of favorite quotes.   Whether you're writing a business report, term paper, or speech, you'll find fresh new ways to present your ideas.

Find the Quotes You Want Fast

It's easy to find quotes quickly.   They're arranged alphabetically by topic.   There's author list, cross references, and a powerful search feature.   You can literally scan the wisdom of the ages in seconds.   Search by author, topic, or key word -- and come up with pithy little gems.

Correct Quotes Gives You . . .

More than 5,000 literary, historical, and contemporary quotations. Plus 600 topics arranged alphabetically from "ability" to "zest", with complete cross-referencing.   The Quotations are from more than 1,500 sources.
