

Microsoft Scenes Impressionists Collection 1.0

The Picture-Perfect Screen Saver for Microsoft Windows

Browse through more than 40 full-color images of impressionist and post-impressionist masterpieces. Microsoft Scenes Impressionists Collection screen saver brings you your own personal art gallery. Give your screen the peaceful serenity of Monet's colorful gardens. The vibrancy of Van Gogh's Sunflowers. Or the quiet beauty of Degas' Dancers. Select your favorites -- each with an expert analysis of the content and artistic style of the painting. Play a continuously changing display, or choose a favorite painting to always be your wallpaper (background) image. It's all up to you.

Your Gallery Includes Famous Works of Art By:

Paul Cezanne

Edgar Degas

Paul Gauguin

Pierre Auguste Renoir

John Singer Sargent

Vincent Van Gogh, and more!
