Managing Your Money 10.0 The Most Complete Money Manager

Are you ready, finally, to get on top of your financial affairs? Then turn to the program that has everything -- Andrew Tobias' *Managing Your Money*. Andrew Tobias has had many years of experience helping people set and achieve realistic financial goals. He is the author of the best-selling book, *THE ONLY INVESTMENT GUIDE YOU'LL EVER NEED*. With his guidance in *Managing Your Money*, you'll finally have real confidence about what you're doing with your finances. Using this easy-to-learn program, you'll be able to track expenses and set budgets, estimate your taxes, plan for college and retirement, and more. Monitoring your progress against your goals, you'll know minute by minute just where you stand financially.

All the Tools To . . .

Pay bills electronically, determine your life insurance needs, develop an investment mix strategy, run your small business, track your investments, print reports and graphs, manage your time, and more!

Manage Your Business

Using this program, you can automatically transfer business expenses to the Schedule C form. *Managing Your Money* is also great at reporting. It gives you hard copy cash flow reports, net worth statements, and much more.

Reviewers Say . . .

"For ease of use and completeness, *Managing Your Money* is in a class by itself"

Nation' Business

"If you want to take control of your financial destiny, then step up to *Managing Your Money*"
