The Print Shop Deluxe   1.2

More Power, More Style, More Options, More Impact.

It's fun.   It's flexible.   The Print Shop Deluxe lets you create professional-looking printed material for every occasion in your life.   Greeting cards, signs, letterhead, banners, and calendars -- that's just the beginning.   The program's dazzling variety of design elements allows you to create a wide range of printed materials -- everything from cards and announcements to menus, posters, coloring books, bookmarks, notepads, even bumper stickers and fax cover sheets!   You'll be amazed at how quickly and easily this remarkable program turns you into an instant artist and your computer into a well-stocked stationery store.

Gorgeous Graphics!

To help you create an exciting array of designs, from the sublime to the spectacular, we've included more than 300 distinctive graphics to choose from, most in color, covering a galaxy of subjects -- holidays, animals, sports, business, nature, and many, many others.

Tantalizing Text!

The Print Shop Deluxe includes 30 specially designed fonts (in TrueType for Windows version) that print out in any size, with crisp, smooth edges.   For still more variety, you can add special headlines with a variety of shapes, shadows, styles, and outlines. The possibilities are endless!

Foolproof Design!

You can quickly arrange text and graphics just the way you want with The Print Shop Deluxe.   To make things even easier, the program gives you dozens of beautifully crafted layouts that suggest the best placement of text and graphics.   It's like having a professional designer at your side!
