

Microsoft SoundBits Classic Cartoons 1.0

**It's Easy! It's Zany! It's the Perfect
Way to Personalize Your Windows
System.**

You've never heard your PC sound like this! Microsoft SoundBits lets you play Hanna-Barbera cartoon sounds with a variety of events in your Windows application, from error messages to resizing windows. The easy-to-use sound utility, included with your Microsoft SoundBits, lets you play, preview, and even create your own unique groups of sounds and assign them to the events you specify.

More Fun Than the Average PC!

Hear it is! A simple way for you to add classic Hanna-Barbera cartoon sounds to your PC. As you start your Windows application hear Fred Flintstone's inspiring "Yabba-Dabba-Doo!" Listen to Snagglepuss shout "Exit, stage left!" as you exit Windows. It's all up to you! Each of the 50 authentic sound clips have been carefully chosen from Hanna-Barbera's original master tapes and digitized to provide you with high-quality sound. Finally using your PC will be an exciting new adventure with each Windows event!

Make Windows Sound as Good as It Looks

Play sounds with dozens of events with Microsoft SoundBits and make your Windows application more fun. Or easily produce your own set of sound schemes to save along with the preconfigured sounds of your Microsoft SoundBits collection.
