SoundBits:
Musical Sounds

Open the window to a world of music.

This SoundBits collection contains fascinating samplings of the world's most popular or unusual musical instruments compiled by expert musicologists. Hear an Australian aboriginal didgeridoo when you start Windows. Play a saxophone riff when you open an application. Listen to Caribbean steel drums as you exit Windows. It's all up to you! Each of the 50 musical sound clips included has been carefully digitized to provide high-quality sound. Now you and your PC can really make beautiful music together.

SoundBits:
Hollywood Movies

Play it again... and again, and again.

Hear Dorothy from *The Wizard of Oz*™ cry "We melted her!" when you minimize a window. Have Cary Grant exclaim "I've had enough stimulation for one day" when you exit Windows. It's all up to you! Each of the 50 authentic sound clips has been carefully chosen from Turner Entertainment's archives and digitized to provide high-quality sound. So follow the yellow brick road to the sounds of Hollywood with this Microsoft SoundBits collection.

SoundBits:
Hanna-Barbera

More fun than the average PC!

Hear Fred Flintstone's famous "Yabba-Dabba-Doo@!" when you start Windows. Have fun by associating silly cartoon sound effects with error messages. Listen to Snagglepuss shout "Exit, stage left!" when you exit Windows. It's all up to you! Each of the 50 authentic sound clips has been carefully chosen from Hanna-Barbera's original master tapes and digitized to provide high-quality sound. Using your PC will never be the same, Boo Boo!
