M.Y.O.B. Small Business Accounting with Payroll 4.0

. . . Helping You Mind Your Own Business

Fast, powerful, accurate, and reliable, M.Y.O.B. is just the double-entry accounting package you've been looking for to help your small business. Among its outstanding features are customizable forms for a welter of transactions: checks, invoices, packing slips, shipping labels, purchase orders, and more. You can review revenue and expenses by job number, then analyze your short-term cash position to avoid cash shortfalls and use your cash effectively. And talk about easy to use, extensive on-line help that guides you through the program, topic by topic.

Unique Features Include

Pre-defined templates for over 30 types of businesses. Full-featured Payroll with M.Y.O.B.'s exclusive "Smart Tax Engine"™, easy start up, item and service invoicing, electronic card file and customizable forms, to name a few.

Reviewers Say . . .

"M.Y.O.B. was designed specifically for people who aren't accountants."

Home Office Computing

"M.Y.O.B. is a fun, flexible package that balances functionality with ease of use."
