

Microsoft Entertainment Pack 4 1.0 Fun and Games for Windows

Test your Chess skills against the computer or your own chess opponent -- only one of you will become king of the board in *Chess*, just one of the exciting games in Microsoft Entertainment Pack 4. Or try, *Jezzball*, an arcade-style action game that's fun for all skill levels. You'll race against the clock to free up space by drawing walls on the board to trap bouncing balls. Then try *Chip's Challenge* where you have to overcome swamps, teleporters, killer balls, gravity, and more to free yourself. Four other great games will fill your leisure hours with fun.

Enjoy These Other Great Games!

Tic Tac Drop

The old English sea game comes to the computer as you change the puzzle's shape and the number of winning pieces. Just remember four is your lucky number as you're making connections.

Maxwell's Maniac

Maneuver the gate to swap the bouncing balls to the winning side. It'll take a keen eye and good timing to master the increasingly difficult challenges.

Dr. Black Jack

You'll have a strategy lesson from the computer in this classic casino game.

Go Figure!

Come up with the computer's answer using combinations of addition, subtraction, multiplication, and division. All this while

you're racing against the clock; go figure!
