Microsoft Golf   1.0

The True Challenge of Golf for Windows

Enjoy the startling beauty of the oceanside Torrey Pines Golf Course, and experience the true-to-life challenges of the game with Microsoft Golf.   Photo-realistic scenery and stunning graphics bring this course to life on your desktop.   You'll feel as though you're playing this regular PGA Tour stop.   Golf lets you gain complete control over your entire game by adjusting your stance, ball position, club face, and swing plane.   You'll be amazed when you experience the realism of this game.

Some of the Great Features of Golf:

Preview the course layout with aerial views of every hole.

Experience the sounds of an actual golf game -- from chirping birds to club swings.

Adjust your set-up on every shot   and for every club based on winds and lies.

Analyze your last shot or hole in one with the instant-replay feature.

Take a mulligan, gimmie, or re-hit with one click.
