Kiplinger's CA-Simply Money 1.0

Simply the Fastest, Smartest, Easiest Software to Manage Your Personal Finances

Kiplinger, the first name in financial guidance since 1923, helps millions of Americans with personal finances, investments, businesses and taxes through *Kiplinger's Personal Finance Magazine*, the Kiplinger Letter, television programs, books, videos, and software. Now, Computer Associates combines its expertise in software solutions with Kiplinger's CA-Simply Money --- the most advanced and easy-to-use personal finance software ever written.

Powerful Finance Manager

No other product handles so much automatically: Tracks checking, savings, credit cards, cash, mortgage, loan, asset, liability, investment and payroll accounts; even tax-free accounts.

Easy-To-Use

The most intuitive user interface of any financial management software, Kiplinger's CA-Simply Money remembers and recalls past transactions for speedy bill paying. Unique Account and Payee browsers speed data entry and Transaction Finder locates transactions fast.

Simple, Accurate Financial Tracking

Amortization information for mortgages and loans is calculated and updated. The net value of your home and improvements is tracked automatically, and the tax categories and reports are based on IRS forms.
