Nature in Motion

An Amazing Collection of Videos of Nature in Motion

Look into the eyes of Mother Nature. Two different CD-ROMs, each packed with dozens upon dozens of video clips. The best Mother Nature has to offer. In *Nature In Motion,* travel down canyons, to Alaska's shores, through South America's rain forests, into tropical waters, and the jungles of Asia and Africa. And as with all Jasmine Multimedia titles, these video clips can be used royalty-free in any computer presentation.
