From Jasmine Multimedia . . .

Science in Motion

An Amazing Collection of Videos of Science in Motion

Dozens upon dozens of video clips to use in your computer productions. Utilizing specialized film and video equipment, take a fantastic voyage into the medical and scientific testing labs, and into the human body. Accompanying this rare digitized footage is more than half an hour of specially selected music. As with all Jasmine Multimedia titles, these video clips are royalty free in any computer presentation you create.
