Sharks: Killers of the Deep

Experience the Mysterious Predators of the Deep: Sharks!

Sharks: Killers of the Deep uses hundreds of videos, stills and animations to shed light on the myths and truths about the world's most feared and misunderstood creatures. Explore the habits and habitats of the nearly 350 species of sharks that roam the seas. This educational CD-ROM teaches you how sharks live, breed, and hunt. Working with the world's foremost marine biologists, this CD-ROM is the definitive work on the Earth's oldest predator.
