Doodle-mation - the Interactive Screensaver, plus a whole lot more

3 great products in one:

Doodle Pad, Create zillions of colorful animated patterns on-the-fly
Interactive ScreenSaver. Save your favorite patterns as
animated ScreenSavers Wallpaper Maker. Create your own
Windows Wallpaper art at the push of a button.

Doodle-mation is the seriously silly dose of color, motion and
sound. Like a massage for your eyes and brain, it soothes, calms
and frees your mind, clears your mental palette and fires up your
creative juices. So when your brain's a wet noodle, don't dawdle .
. . doodle!

Here's what the press has to say:

"If you've ever sat around looking at your Windows screens
wishing you had something more enjoyable to do with your time,
Doodle-mation could be the product for you!"

Computer Games Review "Doodle-mation for Windows can make
office artists drool."

Knight-Ridder News Service "Save paper, doodle on-screen"-
Windows Sources

". . .the cure for all computer-phobes" - Detroit News "We played
with it, we got hooked" - PCTV

Doodle-mation has also been featured in the New York Times,
Newsweek, Windows Magazine and many other publications.
USA Today and PCTV placed Doodle-mation on their
recommended buying lists for Christmas 1993.
