PROGRAM'S PURPOSE

 This program keeps track of your video tapes. The program can sort tapes by title
 or tape number. A list of your video tapes can be viewed on screen or printed to a
 printer. It provides you with a great reference for knowing which movies you have and if
 you keep your tapes in numerical order, you can easily locate the one you want to
        watch.

DISTRIBUTION

 This is shareware and can be freely distributed to others. When providing the program,
 the file named MOVIEDEM.EXE is the only file needed. This installation file contains
 all the necessary program files and will install the program files in the appropratie
 directories.
