

## Stationery

When you click on the stationery button, you are taken to the main stationery page.

From here you can choose four different types of stationery

1. Writing paper
2. Labels
3. Invitations
4. Pictures

As you roll your cursor over the pictures on the desk, they will highlight. Click on whichever type of stationery you would like to print.

If you want to leave the stationery page and go back to the story, click on the contents button from the main stationery page. You can access the different pages of the book using the contents page.

### Writing Paper

When you click on 'writing paper', you will go to the writing paper page where you can choose from four different types of writing paper. Click on the writing paper you like and then click on the print button. Print out your favorite writing paper and write a letter to a friend! When you are ready to go back, click on the stationery button and you will be taken to the main stationery page again.

### Labels

When you click on 'labels', you will be taken to the labels page. Here you can choose from door labels, book labels and room labels.

### Book Labels

When you click on 'book labels', you will be able to choose from two different sets of book labels. Click on the labels you want, and then click on the print button. Print out your favorite book label, write your name on it and stick it on your book! When you are ready to go back, click on the stationery button and you will be taken back to the main stationery page.

## Door Labels

When you click on 'door labels' you will be able to choose from four different labels. Click on the door label you want, and then click on the print button. Print your favorite door label, cut it out and hang it on your door handle! When you are ready to go back, click on the stationery button and you will be taken back to the main stationery page.

## Room Labels

When you click on 'room labels' you will be able to choose from two different room labels. Click on the one you want, and then click on the print button. Print out your favorite room label, write your name on it and stick it on your door! When you are ready to go back, click on the stationery button and you will be taken back to the main stationery page.

## Invitations

When you click on "invitations", you will be taken to the invitations page where you can choose from four different party invitations. Click on the party invitation you want and then click on the print button. Print out your favorite invitation and send it to your friends to invite them to your party! When you are ready to go back, click on the stationery button and you will be taken back to the main stationery page.

## Pictures

When you click on "pictures", you will be taken to the pictures page where you can choose from six different pictures of the characters. Click on the picture you want, and then click on the print button. Print out your favorite picture and color it in! When you are ready to go back, click on the stationery button and you will be taken back to the main stationery page.
