

Go Fly a Kite
10 Orcas Street
Deer Harbor, Washington 98243
206 555-7234

- I. The Business
- A. Description of the business

Go Fly a Kite makes and sells specialty kites. Each kite is constructed of the highest quality nylon. Innovative design results in kites of exceptional quality.

- B. Product

The "Elegancia" design is a fast, high-spinning stuntkite for advanced flyers only. The Paraflyer is an entirely noiseless performance kite. In addition to competition models, Go Fly a Kite also markets a full line of colorful, affordable designs for the novice flyer.

- C. Current Suppliers

Go Fly a Kite
Exciting Kiting
