

### It's going to be a Great Season!

Not since mighty Casey took the bat has Mudville been so excited about a baseball season. Coming off of an incredible come-from-behind championship victory in the summer of '92, the WingTips flyers, led by team captain and star left handed pitcher Denise Mitchell, are predicted to be the Waterford Bay league champions again! So be sure to reserve every Saturday from noon 'til three for some hard-hitting, gut-wrenching little league baseball.

### Looking Good!

A championship team deserves champion uniforms. Thanks in part to Cindy's Athletic Supply, and a donation from Superintendent of Schools, Ed Moss, the Flyers will be sporting the hottest look in baseball fashion.

"These are uniforms that Babe Ruth & Lou Gehrig, would be proud of"

In fact, we've got a Babe Ruth impersonator here next week to teach the team some of the tricks that put them into the annals of baseball history.

### Why should you and your child attend?

*Babe Ruth impersonators are giving batting lessons!*

*They could win a Lou Gehrig baseball card!*

*Metzger's Sausage's will be catering the event!*

Fielding, hitting, stealing bases, and turning a double play are just a few of the areas this look-a-like will teach at this session. Admission to the training portion of this camp is limited to WingTips Flyers and their parents, however there will be an autograph session after the camp that is open to the public.

### Don't Miss Your Chance!

By 1995, the WingTip Flyers will be in their 10th season, and will have played over 1,000 innings, stolen over 100 bases, and scored at least 500 runs. This is the kind of excitement and story making that grandparents love to tell their grandchildren. So, be there for every game!

### Regular Season Play Begins!

Friday the 27th of September marks the end of the pre-season play. The team has worked hard to prepare for what we expect to be the winningest season ever. There will be a Kick-off picnic held at Edgewater State Park on Saturday the 20th. Final schedules will be available then, but the first three games are listed below:
